

The Hongkong and Shanghai Banking Corporation Limited ("the Bank")

COMMERCIAL CARD PROGRAMME - EMPLOYER'S PARTICIPATION AGREEMENT

(For World Corporate MasterCard/Platinum Purchasing MasterCard)

Participation in the Commercial Card Programme (the "Programme") of The Hongkong and Shanghai Banking Corporation Limited (the "Bank") is subject to the following terms and conditions:

1. Card Issue

The Bank shall issue under the Programme, a charge card, being a World Corporate MasterCard (the "Corporate Card") and/or a Platinum Purchasing MasterCard (the "Purchasing Card") to each of its customers (the "Employer") and to each employee identified in the Commercial Card Programme Cardholder Nomination Form annexed hereto and to such employee as may from time to time be nominated by the Employer's authorised officers. Corporate Cards and Purchasing Cards are collectively referred to below as "Cards".

2. Use of Card

The Bank shall deliver each Card to the Employer which shall be responsible for ensuring that each Card is signed by the employee whose name is embossed on the Card (the "Cardholder") immediately upon receipt and that each Cardholder observes the Commercial Card Programme Conditions of Use (the "Conditions of Use"), as may be varied, amended and supplemented from time to time by the Bank. The Bank shall be under no responsibility to ensure that a Cardholder duly complies with the Conditions of Use or any variation or supplement to them or take any legal action or proceedings against a Cardholder. The Bank shall be under no responsibility to ensure that the Card is used for any business purpose or within any Cardholder's authority conferred by the Employer in respect thereof.

3. Billing and Accounting

3.1 The Bank shall maintain a separate card account for each Card (the "Card Account"), to which the value of all purchases of goods or services and of all cash advances (in the case of Corporate Cards) effected by use of the Card ("Card Transactions") will be debited, and to which the value of credit vouchers issued in respect of the Card will be credited.

3.2 The Bank will send to the Employer monthly (on the statement date) a consolidated Card statement detailing the current total amount outstanding in respect of all Corporate Cards or Purchasing Cards, as the case may be (the "Statement Balance") and the date on which such account is due for settlement in full by the Employer ("Settlement Date"), and simultaneously to each Cardholder a Card statement detailing the current total amount outstanding on the Cardholder's Card Account and the Settlement Date.

3.3 (*Applicable to Corporate Cards Only*) Where the Employer requests that the Bank do so, the Bank will accept payments from Cardholders acting as the Employer's agent in settlement of amounts shown on any Statement Balance. Where such payment is not made in cleared funds by the Settlement Date then the Employer will make such payment immediately upon receipt of a demand from the Bank and Clause 7.1 will apply to such amounts.

3.4 The Bank shall not be liable for any act or omission of any merchant, retailer or supplier including without limitation any refusal to honour the Card or any defect or deficiency in any goods or services provided. Any claim or dispute which the Cardholder may have against or with a merchant, retailer or supplier shall not relieve the Employer of the obligation to pay the amount incurred hereunder to the Bank without deduction. Any request by mail or telephone made by the Cardholder to a merchant, retailer or supplier for the supply of goods or services to be charged to the relevant Card shall constitute authority for the merchant, retailer or supplier to issue a sales voucher for the amount to be charged and an acknowledgement that the sales voucher, if endorsed "mail order" or "telephone order" as the case may be, shall be treated as having been duly signed by the Cardholder.

3.5 (*Applicable to Purchasing Cards Only*)

In the case of Purchasing Cards, the Bank will require any retailer, supplier or merchant in Hong Kong who agrees to accept Purchasing Cards to abide by terms and conditions specifically governing such acceptance and under such terms and conditions the retailer, supplier or merchant will be required to obtain payment for a transaction only on or after the date upon which the delivery of the relevant goods and services has been made (unless such payment represents a deposit payment). Once the payment for a transaction has been so effected by use of Purchasing Card, such payment cannot be stopped. If a retailer, supplier or merchant agrees to make a refund, the Bank will credit the relevant Card Account upon receipt of the retailer's, supplier's or merchant's written instruction. The Bank cannot be held responsible for any delay in the receipt of such instructions.

3.6 All Card Transactions effected in currencies other than Hong Kong dollars (in the case of Hong Kong dollar Corporate Cards and Purchasing Cards) or US dollars (in the case of US dollar Corporate Cards) shall be debited to the relevant Card Account after conversion into Hong Kong dollars or US dollars (as the case may be) at a rate of exchange determined by reference to the exchange rate adopted by MasterCard on the date of conversion, plus an additional percentage levied by the Bank and any transaction fee(s) charged by MasterCard to the Bank, if applicable, which fees may be shared with the Bank.

3.7 The Employer and/or the Cardholder should notify the Bank's Card Centre of any transaction in any statement that was not authorised by the Cardholder within 60 days of the date of the statement. If the Employer and/or the Cardholder fails to report within the said period, the transaction(s) shown on the statement will be considered correct. Where the Employer and/or the Cardholder reports an unauthorised transaction before the relevant settlement date, the Employer shall be entitled to withhold payment of the disputed amount. The Bank shall not impose any interest or finance charges on such disputed amount while it is under investigation by the Bank, or make any adverse credit report against the relevant Card Account. If, following a good faith investigation by the Bank, the investigation results (which shall be binding on the Employer and the Cardholder) show that the report made by the Employer and/or the Cardholder (as the case may be) is unfounded, the Bank reserves the right to re-impose the interest or finance charges on the disputed amount over the whole period, including the investigation period.

4. Management Information

If the Employer requests and the Bank agrees, the Bank shall provide the Employer with management information by such means and in such form as may be agreed between the Employer and the Bank from time to time, on a monthly basis (or such periodic basis as may be agreed) giving, inter alia, details of the transactions undertaken by all Cards. The Bank shall have no liability for the loss, corruption, theft of the management information once such information has been dispatched or transmitted.

5. Cash Advances

(*Applicable to Corporate Cards Only*)

The Cardholder shall be entitled on presentation of a valid Corporate Card at selected branches of the Bank (or office of a member of MasterCard) to receive in the domestic currency of the country in which such advances are made, cash advances in such amounts as shall be specified by the Bank or such member from time to time. The Bank shall not, however, be liable for any refusal by a member of MasterCard to permit a cash advance. Where an ATM function has been incorporated in the Corporate Card, the Cardholder may use the Corporate Card to obtain cash advances (which shall be debited to the relevant Card Account) at any automated teller machine ("ATM"). Use of the ATM function shall be subject to the Bank's ATM card terms and conditions in addition to these terms and conditions. Cash advances will be subject to a handling charge and a cash advance fee at the rate set out in the Bank's *An easy guide to commercial tariffs*, which may be varied, amended and supplemented from time to time. The Bank reserves the right to decline a request for cash advances.

6. Credit Limits

- 6.1 The Bank shall assign to the Employer a credit limit which (subject as provided below) may be varied, reduced, cancelled or suspended by the Bank from time to time by notice to the Employer. The Employer shall allocate the credit limit, at its discretion, amongst the Cardholders. The Employer undertakes to ensure that the aggregate of the individual credit limits assigned by it to the Cardholders shall not exceed the Programme credit limit. Subject to agreement by the Bank, the Employer may request to set up within the Programme separate Groupings (each a "Grouping") of Card Accounts, in which case each Grouping shall have a separate "Grouping Account Limit" (being the aggregate sum of the Credit limits for all Card Accounts within the relevant Grouping). The Bank may at its sole discretion (but shall not be obliged to), without prior notice to the Employer or Cardholder, permit Card Transactions to be effected in excess of the credit limit. The Employer or any Cardholder may choose to opt out of the over-the-limit facility for the relevant Card Account using the Bank's prescribed form. After the opt-out has taken effect, Card Transaction which results in the current balance exceeding the assigned credit limit of the Card Account will not be effected, whilst the Card Account may still be subject to an over-the-limit scenario under certain circumstances (including but not limited to the posting of transactions which do not require authorisation for effecting payments and transaction approved before the opt-out has taken effect yet late posted). If the relevant Card Account is not settled in full by the Settlement Date in relation to any statement, the Bank may at any time thereafter reduce the credit limit to such amount as it thinks fit without prior notice to the Employer or the Cardholder.
- 6.2 When asked to authorise a transaction the Bank will take into account any restrictions (with regard to credit limits, industry categories, countries or otherwise) on the use of the Card in question as agreed between the Bank and the Employer as well as any other transaction already debited to the relevant or any other Card Account within the Programme or Grouping (if any) or for which authorisation has been given. The Bank reserves the right to decline a transaction.

7. Settlement

- 7.1 In the event that the Card Account is not settled in full on the Settlement Date, a finance charge will be imposed, calculated at the interest rate per month as specified in the Bank's *An easy guide to commercial tariffs* for the time being in force. The charge will be applied to the daily outstanding balance from the last statement date of the Card Account including all new transactions (but excluding cash advances in the case of Corporate Cards) entered into by the Cardholder since the last statement date, retrospective from the transaction date of these transactions, until the current balance is paid in full.
- 7.2 Without prejudice to Clause 6, if the Statement Balance (excluding all the fees and charges currently billed to the card statement) exceeds the credit limit for the time being assigned to the Card Account, the Bank reserves the right to charge an overlimit handling fee as set out in the Bank's *An easy guide to commercial tariffs*, as may be amended from time to time, which will be debited to the Card Account on the statement date.
- 7.3 A handling fee as set out in the Bank's *An easy guide to commercial tariffs*, as may be amended from time to time, will be charged to the Card Account for each returned cheque deposited in, or rejected direct debit to, the Card Account where the cheque or direct debit is not drawn on an account with the Bank.
- 7.4 Any amount owing by the Employer to the Bank hereunder shall be payable on demand and the Bank reserves the right to charge interest thereon from the date of demand at its applicable prevailing rate.
- 7.5 The whole of the outstanding balance on all Card Accounts, together with interest thereon at such rate as shall be specified by the Bank, shall become due and payable to the Bank:
- (a) where the Employer is an individual, on the Employer's bankruptcy or death,
 - (b) where the Employer is a company, if a resolution is passed or an order is made for the Employer's winding-up or if a receiver is appointed over all or any part of the Employer's undertaking,
 - (c) where the Employer is a partnership, if the Employer is dissolved,
 - (d) at the Bank's discretion, if the Employer is in breach of any of these terms and conditions, or
 - (e) upon termination of this Agreement.

The outstanding balance on all Card Accounts includes, without limitation, any regular payments, whenever charged or debited to the Card Accounts, under arrangements which are authorised or set up prior to the date of aforesaid situation (as the case may be).

8. Application of Payments

- 8.1 Payments and credits received by the Bank in respect of the Card Account under this Agreement shall be applied by the Bank towards payment of such items and in such order as the Bank considers appropriate without prior reference to the Employer and/or the Cardholder.
- 8.2 The Bank may debit the Card Account(s) to make a partial or full refund of any credit balance to the Employer by any means determined by the Bank, including making transfer to any of the Employer's account held with the Bank or sending a cashier's order to the Employer's address last notified to the Bank, at any time without prior notice.

9. Liability for Transactions

- 9.1 Notwithstanding any other provisions of this Agreement, the Employer shall (without prejudice to the Bank's rights against the Cardholder) be wholly liable to the Bank for the value of all Card Transactions effected by the Cardholder (whether voluntarily or otherwise) as well as all amounts properly debited to the Card Account (wherever effected and whether or not (a) that transaction has been undertaken for the business purposes of the Employer or (b) that transaction may have arisen as a result of actions of the Cardholder without the Employer's authority or (c) authorisation has been obtained from the Bank in respect of that transaction or (d) the Card has been used in breach of any other terms contained herein or the Conditions of Use or (e) the Employer's Programme credit limit may be exceeded) as well as all fees, interest and charges payable under this Agreement. This liability shall include any transactions undertaken after the cancellation of a Card, subject however to the terms of this Clause.
- 9.2 The Card is the property of the Bank and is not transferable. The loss or theft of any Card, or (in the case of Corporate Cards) the loss, theft or disclosure to a third party of any number used in relation to any cash advance or ATM function or facility incorporated in a Corporate Card, should be reported immediately upon discovery of loss, theft or disclosure (to the Bank's Card Centre in the Hong Kong SAR – tel: 2748 8288 – or, if overseas, to any member of MasterCard). The Employer shall be fully liable for all cash advances effected as a result of the unauthorised use of any such number. In respect of all other transactions debited to any Card Account as a result of the unauthorised use of a Card ("Non-cash Transactions") until notification of its loss, theft or disclosure has been received by the Bank or by a member of MasterCard, except in the circumstances described below, the maximum liability for Non-cash Transactions shall be the assigned credit limit of the Card Account for the Employer. The Employer shall be fully liable for all Non-cash Transactions, without limit, if the Employer and/or the Cardholder has acted fraudulently or with gross negligence in using or safeguarding the Card or has knowingly (whether voluntarily or otherwise) provided that Card or let the Card be taken by a third party or has failed to make a report in accordance with this Clause as soon as reasonably practicable upon discovery of loss or theft. Failure to follow any measures to safeguard the Card (and in the case of Corporate Cards, such PIN number) or with regard to the usage thereof as recommended by the Bank in any communication to the Employer and/or the Cardholder from time to time may be treated as gross negligence for the above purpose.
- 9.3 The Bank shall be under no obligation to issue a replacement Card to the Cardholder following its loss or theft. Any replacement Card will be subject to a handling fee as set out in the Bank's *An easy guide to commercial tariffs*, and may be amended from time to time.

10. General Rights of the Bank

- 10.1 The Employer must continue to pay the Bank any money outstanding under this Agreement without any set-off, deduction, or withholding. If the Employer is required by any applicable laws or regulations to make any deduction or withholding from any sum payable by the Employer to the Bank hereunder, then the liability in respect of that deduction or withholding shall be the liability of the Employer such that after the making of such deduction or withholding the net payment shall be equal to the amount which the Bank would have received had no such deduction or withholding been made. It shall be the full responsibility of the Employer to effect payment of such deduction or withholding to the relevant authority within the applicable time limit and the Employer shall indemnify the Bank for all consequences of the Employer's failure to do so.
- 10.2 In addition to any general right of set-off or other rights conferred by law or under any other agreement, the Bank may without notice combine or consolidate the outstanding balance of any Card Account with any other account(s) which the Employer maintain(s) with the Bank, and set-off or transfer any money standing to the credit of such other account(s) in or towards satisfaction of any liability to the Bank under this Agreement.
- 10.3 If the Bank at its sole discretion determines that a security is required from the Employer to secure the credit limit and/or to cover the outstanding balance, then upon the Bank's request, the Employer shall furnish to the Bank, within the period reasonably designated by the Bank, such security or additional security as shall be acceptable to the Bank. Where a security is required, the Employer shall promptly, on demand, pay to, or reimburse, the Bank the amount of all costs and expenses (including any legal fees) incurred by the Bank including without limitation, as a result of obtaining a legal opinion in support of security or registration, release, reassign or discharge (as appropriate) of security of the Employer or a third party security provider by the Bank.
- 10.4 The Bank shall be entitled to have solicitors of its choice appointed to prepare the necessary documentation relating to this Agreement and/or the security to be provided. All their charges and disbursements incurred in this respect will be for the Employer's account. Any filing fees and fees incurred in obtaining a legal opinion will also be for Employer's account.

- 11.5 The Employer shall, and shall ensure that its Card Administrators and Cardholders shall, abide by all applicable data protection and privacy laws, regulations and codes of practice in its/his/her access to and use of MiVision. The Employer further confirms that the Bank is also permitted to disclose any data relating to an individual and allowing the identification of that individual, and such other data which is protected by the applicable data protection legislation ("Personal Data") to the Card Administrators and to provide to the Card Administrators any communication or instruction regarding the Programme, which will take effect as if provided directly to the Employer.

- 11.9 The Employer assumes sole responsibility and liability for all requests, changes, and modifications made by the Card Administrators and Cardholders to any instruction that is initiated through MiVision. The Employer shall indemnify the Bank against all claims, liabilities, costs, expenses, loss and damage suffered or incurred by the Bank as a result of or in connection with the Employer and/or any of its Card Administrators and Cardholders failing to comply with these terms and conditions or other applicable terms and conditions, or each of their use of or access to MiVision.

- 16.6 The Bank shall not be liable for any delay, failure or computer processing error in providing any of the Bank's equipment or other facilities or services to the Employer and/or the Cardholder to the extent that it is attributable to any cause beyond the Bank's reasonable control including any equipment malfunction or failure and under no circumstances shall the Bank be responsible to the Employer and/or the Cardholder or any third party for any indirect or consequential losses arising out of or in connection with such delay, failure or computer processing error. The Employer should, to the best of its knowledge, advise the Bank whether it is in any way related or connected to the HSBC Group. In the absence of such advice, the Bank will assume that the Employer is not so related or connected. The Bank would also ask, that if the Employer becomes aware that it becomes so related or connected in future, that the Employer immediately advises the Bank in writing. The paragraphs below contain an explanation of when the Employer may be considered related or connected to the HSBC Group for the purposes hereof.
