Using our Business Internet Banking or Phonebanking services allows you to conveniently view your account balances and promptly make the necessary account transfers to avoid insufficient fund charges.

5. Monthly fee

You can avoid the HK\$50 monthly fee on your Hong Kong dollar savings account by keeping your account balance at or above HK\$25,000.

Alternatively, you will be exempt from this fee if you use any one of the following services from HSBC: Business Integrated Account, unit trusts, time deposits, overdrafts, loans and general banking facilities.

6. Automatic bill payment

You can avoid late payment charges from your utility providers by using Business Internet Banking, which allows you to conveniently settle your bills instantly or even preset dates for automatic payment. Alternatively, autoPay is also a solution for bill settlement, where direct debit authorisation could be set up online in Business Internet Banking for a number of major billers.

7. Business Card

HSBC Business Card provides you a flexible solution to manage business expenditure that also offers marvellous privileges and benefits. When you use your Business Card, you can enjoy special discount and endless remarkable offers at designated merchants. You can also enjoy a 0.4% cash rebate on all purchase or earn RewardCash to redeem a range of gifts and merchant vouchers.

8. autoPay

Remove the risks of late payment and costs of writing and mailing cheques to settle regular payments such as salary, dividends, regular supplier invoices, etc, by using our autoPay out services via Business Internet Banking or HSBCnet.

Reduce your collection cost by using our autoPay in services for settling regular bill payments from your customers.

9. Paper Statement Fee

If you hold a HSBC Business Direct account, BusinessVantage account, BusinessVantage Plus account, Hong Kong Dollar Current account, Foreign Currency Current account, Hong Kong Dollar Statement Savings account or CombiNations Statement Savings account, you can avoid the HK\$20 paper statement fee applying to each paper statement issued if you choose to use our eStatement service (free of charge).

- If there is more than one purchase transaction executed on a trading day (T) and/or the next following trading day (T+1), the sale transaction will first be matched with all purchase transactions executed on T based on their size, starting from the one with the largest quantity of purchased shares. After that, any unmatched sale shares will be matched with purchase transactions executed on T+1 based on their size, starting from the one with the largest quantity of purchased shares. Remaining shares of matched purchase transactions (if any) and/or unmatched purchase transactions (if any) are still subject to the deposit transaction charge with a minimum of HK\$30/RMB30 for each purchase transaction.
- The Securities and Futures (Levy) (Amendment) Order 2010 (the "Order") comes into operation on 1 October 2010. Effective from 1 Nov 2014, the Order reduces the transaction levy further from 0.003% to 0.0027% of the consideration for each purchase or sale of securities.
- Please note that the collection of these levies is subject to the Securities and Futures (Investor Compensation – Levy) (Amendment) Rules 2005 which provides a suspension and re-instatement mechanism whereby if the new asset value of the Investor Compensation Fund exceeds HK\$1.4 billion, the obligation to pay the levies under the Rules will be suspended. However, if the net asset value of the Investor Compensation Fund falls below HK\$1 billion, investors are required to pay the levies which will be reinstated. The suspension of payment of investor compensation levy will also include initial public offerings and open offers.
- Transfer-in/out is only allowed for the same name accounts. Funds not currently stocked by HSBC cannot be transferred in. Service charge for funds transfer-in will be waived.
- The scrip fee will be calculated with reference to the net increase in board lots (rounded up to the next board lot) since the previous book-close date on which fee was last collected by HKSCC for each security held in account. Net decrease in the number of board lots held in specific lines-of-stocks will not incur fee.
- The fee applies to all business integrated investment accounts and business investments accounts, and is due and payable in June and December every year on a day determined by the Bank from time to time. If that day falls on the 1st day of the month and is not a business day, the fee may be collected on the business day in May and November which immediately precedes that day, subject to the decision of the Bank. The fee is payable upon closure of accounts where the account is closed before the said payment dates.
