- 1.2. Unless the context otherwise requires, any reference in these Conditions to:
 - (a) a "Section", "Sub-Section", "Clause" or "Appendix" shall be construed as a reference to a section, sub-section or clause of these Conditions or an appendix hereto;
 - (b) these Conditions or any other agreement or document shall be construed as a reference to the same as amended, varied or supplemented from time to time; and
 - (c) a statute shall be construed as a reference to the same as amended or re-enacted from time to time.
- 1.3. Section, Sub-section, Clause and Appendix headings used herein are for ease of reference only.

2 Accounts and Services

- 2.1 All Accounts and Services are offered on terms specified by the Bank. The Bank may do any of the following without prior notice:
 - (a) introduce new or new types of Accounts or Services;
 - (b) vary, suspend or withdraw any Accounts or Services (including not accepting a deposit); or
 - (c) specify or vary the scope or extent of any Accounts or Services.
- 2.2 Unless otherwise specified by the Bank, all Services are provided by, and all Accounts are maintained with, the Bank. Where any Services or Accounts are to be provided by or maintained with any third party, the Customer may be required to accept specific conditions and the provisions of any mandate(s) applicable thereto as required by the third party.

3 Instructions

Customer's responsibilities

- 3.1 The Customer must comply with all Applicable Regulations in using the Services, an Account or in conducting transactions or activities under these Conditions.
- 3.2 Neither the Customer, nor to the knowledge of the Customer, any director, officer, agent, employee, affiliate or other person acting on behalf of the Customer or any of its/their subsidiaries is aware of or has taken any action, directly or indirectly, that would result in a violation by such persons of any applicable anti-bribery law, including but not limited to, the United Kingdom Bribery Act 2010 (the "UK Bribery Act") and the U.S. Foreign Corrupt Practices Act of 1977 (the "FCPA"). Furthermore, the Customer and, to the knowledge of the Customer, its/their affiliates have conducted their businesses in compliance with the UK Bribery Act, the FCPA and similar laws, rules or regulations and have instituted and maintained policies and procedures designed to ensure, and which are reasonably expected to continue to ensure, continued compliance therewith. None of the Accounts or Services will be used, directly or indirectly, for any payments that could constitute a violation of any applicable anti-bribery law.
- 3.3 The Customer may only open an Account or utilise a Service by issuing an Instruction in a form and by means acceptable to the Bank.

Bank's rights and responsibilities

- 3.4 The Bank has the right to do any of the following:
 - (a) accept or refuse an Instruction; or
 - (b) prescribe any condition for accepting an Instruction, without giving any reason.
- 3.5 The Bank is not liable for any loss, cost or damage of any kind incurred or suffered by the Customer as a result of the Bank exercising any of the rights referred to in Conditions 3.4 (a) or (b) of this Section I.
- 3.6 The Bank will only act on an Instruction if it reasonably believes the Instruction was given or authorised by the Customer. The Bank is not liable if that belief is incorrect. The Customer will be bound by that Instruction as understood and executed by the Bank in good faith, even if:
 - (a) the Instruction is incorrect, false or unclear; or
 - (b) the Instruction was not given or authorised by the Customer.
- 3.7 Subject to Conditions 3.4 to 3.6 of this Section I, the Bank will act on an Instruction as soon as reasonably practicable following receipt.

4 Use of Accounts and Services

General requirements

- 4.1 If the Customer does not specify an Account for a transaction, the Bank may credit or debit (as applicable) any Savings Account of the Customer.
- 4.2 An inward remittance may not be credited to an Account or accrue interest on the date it is received, if the Bank does not receive the applicable payment advice before the relevant cut-off time. No interest will accrue on any inward remittance before the funds are actually credited into the Account.
- 4.3 The Bank may pay to the Customer an amount withdrawn from an Account through any one of the following methods:
 - (a) cash payment in the currency of the Account;
 - (b) cheque drawn by the Bank in the currency of the Account; or
 - (c) cash payment or cheque denominated in HKD, and converted (if necessary) from the relevant Foreign Currency equivalent at the Bank's prevailing buying rate.

Cheques and other monetary instruments

- 4.4 The Customer is solely responsible for ensuring that all Items provided to the Bank are in order and that the details of Items are accurate and complete.
- 4.5 Before depositing any Items with the Bank using any means or channels offered or accepted by the Bank, a Customer should ensure that such Item is in order on the face thereof, including, without limitation, that the Item is appropriately dated and signed, and that the amounts in both words and figures matched.
- 4.6 Where the Customer is required to advise, complete or enter details of the Items when depositing the same with the Bank, the Customer agrees that it is the Customer's sole responsibility to ensure that such details being advised, completed or entered by the Customer are accurate and complete and that the Bank is entitled to rely upon the same in issuing receipts. Such receipts issued shall for all purposes be issued subject to subsequent verification by the Bank in its normal course of business. In the event of any discrepancy between the receipts and the outcome of the

Bank's verification, the outcome of the Bank's verification shall be final and binding on the Customer and the Bank shall be entitled to adjust the Accounts accordingly by debiting or crediting the same as the case may be.

- 4.7 All inward remittances, cheques and monetary instruments are accepted for deposit into an Account subject to final payment and the Bank is entitled not to make the proceeds available until they have been cleared. The Bank reserves the right to charge the Accounts concerned with the appropriate amounts if, for whatever reason, any Items are subsequently returned unpaid or partially paid or where the remittance amounts are not eventually received. If the inward remittance or any Items (including the payment pursuant to the standing instructions of another person) is in a currency not supported by the Bank, the Bank has the right to convert it into Hong Kong dollar or any other currency supported by the Bank at the prevailing buying exchange rate before depositing it into an Account.

Standing instructions and direct debit arrangements

- 4.8 The Bank may reverse any credit received under a standing instruction if a condition of the standing instruction is not fulfilled - this may occur for example, if there are insufficient funds in the transferor's account.

Suspending Account mandates

- 4.9 The Bank has the right to suspend any Account mandate if any of the following occurs:
- (a) there is a dispute between the Customer and any of its authorised signatories or directors (as applicable);
 - (b) the Bank reasonably believes that such Account mandate is not valid; or
 - (c) the Bank reasonably believes that the Customer is not the true owner of the credit balances or any other assets held in the relevant Account.

Inactive Accounts and zero balances

- 4.10 If an Account has been inactive or has had a zero balance, in each case for a period determined by the Bank, the Bank has the right to:
- (a) restrict or impose conditions for accessing the Account;
 - (b) close the Account; or
 - (c) impose a service charge at its discretion without prior notice.

5 Bank-Customer Relationship

- 5.1 The Bank is the debtor and the Customer is the creditor of any deposit placed by the Customer with the Bank.
- 5.2 The Bank is the bailee and the Customer is the bailor of any Item held by the Bank in safe custody for the Customer.
- 5.3 The Customer confirms that the Customer is acting as principal in relation to the Services and the Master Account, including all Accounts.
- 5.4 Other types of relationships may arise between the Bank and the Customer, depending on the Services provided.

6 Foreign Currency Transactions

General requirements

- 6.1 Unless the Bank specifies otherwise in these Conditions, if the conversion of one currency into another currency is required or appropriate under these Conditions, that conversion will take effect at the Bank's prevailing exchange rate at the time of conversion or such other rate as agreed between the Bank and the Customer. Any exchange rate provided by the Bank at any other time may differ from the rate at which the Bank effects the conversion and is for reference only.
- 6.2 Before carrying out a currency conversion transaction, the Bank may require the Customer to provide information or documentation to prove that such transaction is in compliance with all Applicable Regulations, including those issued by any regulatory authority, governmental agency (including tax authority), clearing or settlement bank, exchange or industry or self-regulatory body from time to time – the Bank has the right to refuse to carry out a currency conversion transaction if the Bank is not satisfied with the information or documentation provided by the Customer for such purpose.

Foreign Currency cheques

- 6.3 In respect of all Foreign Currency cheques accepted by the Bank in the payment or settlement of any transaction, the Bank may do any of the following:
- (a) in accepting cheques drawn on banks abroad, decide which cheques to purchase and which to send for collection;
 - (b) require repayment from an Account holder or debit an Account with the value of the cheque, using the higher of the Bank's prevailing selling rate and the original buying rate, plus any charges, if (i) any cheque purchased is dishonoured, or (ii) any cheque is required to be repaid or refunded;
 - (c) debit a deposit account with any overseas charges; or
 - (d) process a cheque received after the relevant cut-off time during the next Business Day.
- 6.4 Where the Bank purchases any cheques, the Bank shall credit the deposit account (using the Bank's prevailing buying rate) with the proceeds immediately, under advice to the deposit account holder, and subject to having recourse to the deposit account holder in the event of dishonour. The purchase of cheques may be subject to the condition that the proceeds credited to the deposit account cannot be withdrawn for a period as determined by the Bank taking into account the required clearing time for cheques in question and which will be specified in the credit advice to be sent to the deposit account holder in confirmation of the transaction. Where the Bank sends a cheque for collection, this will be done subject to the rules contained in ICC Publication No. 522 and the proceeds of the cheque will only be credited to the deposit account once payment is received from the bank abroad.

US Dollar transactions

- 6.5 Transactions denominated in US Dollars may be cleared or settled through the US Dollar Clearing System established in Hong Kong.
- 6.6 The US Dollar Clearing System is subject to the US Dollar Clearing House Rules and the USD Operating Procedures. The Hong Kong Monetary Authority does not owe any duty and will not incur any liability to the Customer or any other person in respect of any claim or Loss (including without limitation, loss of business, loss of business opportunity, loss of profit, special, indirect or consequential loss) (even if the Hong Kong Monetary Authority knew or ought reasonably to have known of their possible existence), of any kind or nature directly or indirectly from or as a result of:
- (a) anything done or omitted to be done by the Hong Kong Monetary Authority bona fide or by the settlement institution of the US Dollar Clearing System, Hong Kong Interbank Clearing Limited or any member of the US Dollar Clearing House in the management, operation or use (including without limitation, the termination and/or suspension of the settlement institution, the US Dollar clearing facilities or any such member) of the US Dollar Clearing House or the US dollar clearing facilities or any part of any of them; or
 - (b) without prejudice to Condition 6.2 of this Section I, the giving of any notice, advice or approval in relation or pursuant to, the US Dollar Clearing House Rules and the US Dollar Operating Procedures referred to therein (in each case, as the same may be modified from time to time).

Currency conversions

- 6.7 In the event that:

- (a) the Customer debits any account (the "**original account**") maintained with the Bank and denominated in a particular currency (the "**original currency**") to purchase a different currency (the "**new currency**"):
 - (i) to effect any remittances in the new currency; and/or
 - (ii) for any other transactions; and
- (b) any of the purchases, remittances or transactions referred in paragraphs (a)(i) and (ii) of this Condition 6.7 or any instruction relating thereto is cancelled, rejected or returned,

then the Bank will convert the new currency back to the original currency at the Bank's prevailing buying rate or the Bank's original selling rate, whichever is lower, and deposit the resulting sum into the original account without notice.

- 6.8 The Bank is fully authorised to deduct any charges from the original account for the currency exchange referred to in Condition 6.7 of this Section I and the Customer shall be solely liable for all losses, costs, expenses and charges of any kind resulting therefrom.

Scope of Bank Services and conditions for use

- 7.2
- (a) The provisions of this Condition 7 apply to the Bank's services relating to funds transfer, including the services the Bank provides in relation to the Faster Payment System. The provisions of other Conditions continue to apply to the Bank Services to the extent that they are relevant and not inconsistent with the provisions of this Condition. Unless otherwise specified, the provisions of this Condition prevail if there is any inconsistency between them and the provisions of the other Conditions with respect to the Bank Services.
 - (b) The Bank provides the Bank Services to customers to facilitate payment and funds transfer using the Faster Payment System and the Addressing Service, eDDA Service and any other services and facilities provided by HKICL in connection with the Faster Payment System from time to time. The Bank has the right to set or vary from time to time the scope of the Bank Services and the conditions and procedures for using the Bank Services. In order to use the Bank Services, the Customer has to accept and follow these conditions and procedures.
 - (c) The Bank may provide the Bank Services to facilitate payment and funds transfer in any currency specified by the Bank from time to time, including Hong Kong dollars and Renminbi.
 - (d) In order to enable the Bank to handle an instruction for the Customer in relation to payment or funds transfer using HKICL FPS, the Customer has to provide or input the necessary information and complete the process by such means or in such manner prescribed by the Bank from time to time.
 - (e) All payment or funds transfer transactions using HKICL FPS will be processed, cleared and settled under the interbank clearing and settlement arrangements including without limitation the arrangements in relation to the Faster Payment System agreed by the Participants and HKICL from time to time.
 - (f) The Bank reserves the right to suspend or terminate the Bank Services in whole or in part at any time without giving notice or reason.

Addressing Service - registration and amendment of Proxy ID and related records

- 7.3
- (a) In order to use the Addressing Service to receive payment or funds transfer using HKICL FPS, the Customer has to register its Proxy ID in the HKICL FPS. The Bank has discretion as to whether to offer the FPS Identifier as Proxy ID to the Customer.
 - (b) Registration and amendment of Proxy ID and related records in the HKICL FPS must be done in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. In order to enable the Bank to register or amend Proxy ID or any related records for the Customer, the Customer has to provide or input the necessary information and complete the registration process by such means or in such manner prescribed by the Bank from time to time.
 - (c) At any time where the same Proxy ID is registered by the Customer for more than one account (whether maintained with the Bank or with any other Participant), the Customer must set one account as the Default Account. By instructing the Bank to set or change the Default Account

for the Customer, the Customer consents and authorises the Bank to submit the request on behalf of the Customer to HKICL FPS to override the existing Default Account registered in HKICL FPS.

eDDA Service

- 7.4 (a) In order to enable the Bank to handle a request for the Customer in relation to eDDA setup, the Customer has to provide or input the necessary information and complete the process by such means or in such manner prescribed by the Bank from time to time. The prescribed process may include requiring the relevant parties to set up the eDDA using their respective account numbers or customer identification numbers or codes. For the avoidance of doubt, a Proxy ID is not intended for verifying eDDA setup. Any amendment of a Proxy ID and the related records or termination of a Proxy ID after an eDDA setup will not affect that eDDA. In the circumstances, the Bank will not be notifying the Customer of any changes to the Proxy ID in connection with the eDDA once it has successfully been set up.
- (b) Where the Customer has set up a direct debit authorisation (including an eDDA) on an Account but no debit is made pursuant to that authorisation for a significant period of time, the Bank has the right to cancel the direct debit authorisation without prior notice to the Customer even if that authorisation has not expired or is not subject to an expiry or termination date.

QR Code Services

- 7.5 (a) Using the QR Code Services and the Customer's responsibility
- (i) The QR Code Services allow the Customer to scan a QR code provided by the Bank or by another person to automatically capture the payment or funds transfer data without the need for manually entering the data. Any QR code provided by another person must meet the specifications and standards prescribed by HKICL in order to be accepted. The Customer is fully responsible for ensuring that the captured data is accurate and complete before confirming any payment or funds transfer instruction. The Bank is not responsible for any error contained in such payment or funds transfer data.
 - (ii) The QR Code Services can be used on a mobile device running an operating system supported and specified by the Bank from time to time.
 - (iii) Updates to the QR Code Services may be issued periodically through the supplying app store for the mobile app. For some devices, updates will be downloaded automatically. For other devices, the Customer will need to download the updates itself. Depending on the update, the Customer may not be able to use the QR Code Services until the latest version has been downloaded. The Customer is fully responsible for ensuring the latest version has been downloaded to the Customer's mobile device for the purpose of using the QR Code Services.
 - (iv) The QR Code Services are intended for use by the Bank's Customers only. The Bank has the right to cancel the Customer's account for the mobile app and/or block the Customer from accessing the QR Code Services if the Bank discovers that the Customer is not eligible to use the QR Code Services.
 - (v) The QR Code Services are not intended for use in any jurisdiction where their use would be contrary to any law or regulation of that jurisdiction or where the Bank is not licensed or authorised to provide the QR Code Services.
 - (vi) The Customer must comply with all applicable laws and regulations that govern its download of the mobile app, or access or use of the mobile app or the QR Code Services.
- (b) Security
- (i) The Customer must not use the QR Code Services on any device or operating system that has been modified outside the mobile device or operating system vendor supported or warranted configurations. This includes devices that have been "jail-broken" or "rooted". A jail broken or rooted device means one that has been freed from the limitations imposed on it by the Customer's mobile service provider and the phone manufacturer without their approval. The use of the QR Code Services on a jail broken or rooted device may compromise security and lead to fraudulent transactions. Use of the QR Code Services in a jail broken or rooted device is entirely at the Customer's own risk and the Bank will not be liable for any losses or any other consequences suffered or incurred by the Customer as a result.
 - (ii) The Customer is fully responsible for all instructions or requests given by it or any other person authorised by it during the use of the QR Code Services.
 - (iii) The Customer is fully responsible for ensuring that the information shown or stored on its mobile device is kept secure.
 - (iv) If the Customer knows or suspects that any other person knows its security details, or has used or tried to use them, or if the Customer's mobile device is lost or stolen, the Customer must notify the Bank as soon as reasonably practicable.
- (c) The Bank's responsibility and restriction of liability
- (i) While the Bank makes commercially reasonable efforts to provide the QR Code Services, the Bank is not liable for any failure to provide the QR Code Services.
 - (ii) The QR Code Services are provided on an "as is" basis with no representation, guarantee or agreement of any kind as to their functionality. The Bank cannot guarantee that no viruses or other contaminating or destructive properties will be transmitted or that no damage will occur to the Customer's mobile device in the use of the QR Code Services. The Bank is not responsible for any loss the Customer may incur as a result of its use of the QR Code Services.
 - (iii) The Customer understands and agrees that:
 - (1) The Customer uses the QR Code Services at its sole risk. To the maximum extent permitted by law, the Bank expressly disclaims all warranties and conditions of any kind, whether express or implied.
 - (2) The Customer downloads or obtains any material or information through the use of the QR Code Services at its sole risk and discretion. The Customer is solely responsible for any damage to its computer or other device or loss of data resulting from downloading, obtaining or using such material or information.
 - (iv) For the avoidance of doubt, nothing above is intended to exclude or restrict any condition, warranty, right or liability which may not be lawfully excluded or restricted.

Collection and use of Customer Information

- 7.6 (a) For the purposes of using the Bank Services, the Customer may be required to provide the Bank with the personal data and other information (as applicable) relating to one or more of the following persons from time to time:
- (i) the Customer;
 - (ii) the recipient of any payment or funds transfer to be made by the Customer, or the counterparty of any eDDA to be set up by the Customer; and
 - (iii) where the Customer is a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body, any of its directors, officers, employees, authorised persons and representatives,

all personal data and information provided to the Bank or compiled by the Bank from time to time in connection with the Bank Services are collectively referred to as "Customer Information".

- (b) The Customer agrees (and, where applicable, for and on behalf of each of its directors, officers, employees, authorised persons and representatives) that the Bank may collect, use, process, retain or transfer any of the Customer Information for the purposes of the Bank Services. These purposes include without limitation one or more of the following:
 - (i) providing the Bank Services to the Customer, maintaining and operating the Bank Services;
 - (ii) processing and executing the Customer's instructions and requests in relation to the Bank Services from time to time;
 - (iii) disclosing or transferring the Customer Information to HKICL and other Participants for their use for the purpose of the operation of HKICL FPS;
 - (iv) meeting the requirements to make disclosure under any Regulatory Requirements; and
 - (v) purposes relating to any of the above.
- (c) The Customer understands and agrees that the Customer Information may be further disclosed or transferred by HKICL, the Bank or any other Participants to their customers and any other third parties who are users of HKICL FPS for the purposes of providing and operating the Bank Services.
- (d) If the Customer Information includes personal data or other information of any person other than the Customer (including any persons specified in Conditions 7.6(a)(ii) or 7.6(a)(iii) above), the Customer confirms that it will obtain and has obtained the consent from such person regarding the use (including disclosure and transfer) of his/her personal data and other information by HKICL, the Bank and the other Participants as specified in this Condition.

Customer's responsibilities

7.7 (a) Present genuine owner or authorised user of Proxy ID and accounts

The Customer can only register its own Proxy ID for its own accounts or set up eDDA for its own accounts. The Customer must be the present genuine owner or authorised user of each Proxy ID and each account provided to the Bank for registration in the Addressing Service and the eDDA Service. By instructing the Bank to register any Proxy ID or any account for the Customer in relation to the Faster Payment System, the Customer confirms that it is the present genuine owner or authorised user of the relevant Proxy ID or account. This is particularly important for mobile phone numbers as they may be recycled.

(b) Proxy ID

Any Proxy ID to be registered by the Customer for the Addressing Service must satisfy any applicable requirements imposed by HKICL from time to time.

(c) Correct information

- (i) The Customer has to ensure that all the information provided by the Customer for registration or amendment of Proxy ID (or any related records) or for any eDDA setup is correct, complete, up-to-date and not misleading. The Customer has to notify the Bank as soon as reasonably practicable of any changes or updates to such information by such means or in such manner specified by the Bank from time to time.
- (ii) The Customer is fully responsible for using the correct and up-to-date Proxy ID and related records in giving each payment or funds transfer instruction. The Customer is solely liable for and will hold the Bank harmless from any incorrect payment or transfer effected by the Bank and HKICL FPS due to incorrect or outdated Proxy ID or related records.
- (iii) The Customer acknowledges that the Bank, other Participants and HKICL have the right to deregister any Proxy ID that is no longer correct or up-to-date in accordance with available information without the Customer's consent.

(d) Timely updates

The Customer is fully responsible for giving instructions and information changes or updates to the Bank on a timely basis for amending its Proxy ID (or related records) or any eDDA setup, including without limitation changing its Default Account, or terminating any Proxy ID or eDDA. The Customer acknowledges that keeping its Proxy ID, eDDA and all related records up-to-date is critical for ensuring effective execution of payment and funds transfer instructions and for avoiding incorrect payment or transfer due to incorrect or outdated Proxy ID, eDDA or related records.

(e) Change of Default Account

If an account is terminated as the Default Account by the Customer or by the relevant Participant for any reason (including suspension or termination of the account), the system of HKICL will automatically assign the most recently registered record in the Addressing Service that is associated with the same Proxy ID to be the Default Account. If the Customer wishes to set another account as the Default Account, the Customer has to change the registration through the Participant where it maintains that other account.

(f) Transactions binding on the Customer

- (i) For any payment or funds transfer, once the Customer confirms the details of a transaction and submit instruction to the Bank, such instruction and any resulting transaction is final, irrevocable and binding on the Customer.
- (ii) For any Proxy ID registration or eDDA setup, once the Customer submits an instruction to the Bank, such instruction is irrevocable and binding on the Customer. The Customer may amend or cancel any Proxy ID or eDDA setup in accordance with the procedures and requirements prescribed by the Bank from time to time.

(g) Use Bank Services responsibly

The Customer must use the Bank Services in a responsible manner. In particular, the Customer has to comply with the following obligations:

- (i) The Customer must comply with all Regulatory Requirements that govern its use of the Bank Services, including collecting, using and handling the personal data and other information relating to any other person in compliance with the Regulatory Requirements protecting data privacy. The Customer must not use the Bank Services for any unlawful purposes or any purposes other than those authorised or contemplated in the rules, guidelines and procedures of HKICL.
- (ii) In sending remarks or messages to be displayed to recipients or counterparties of its payment or funds transfer instructions or eDDA setup using HKICL FPS, the Customer should mask the name or other data of such recipients or counterparties to prevent unauthorised display or disclosure of any personal data or confidential data.
- (iii) the Customer should not repeatedly cancel the registration and request for generation of another FPS Identifier in an attempt to generate a number or value that it desires.

(h) Other obligations regarding payments and funds transfers

Any instruction given by the Customer in relation to the Bank Services will be handled by the Bank in accordance with this Condition 7 and the applicable provisions in these Conditions. The Customer has to comply with the other obligations with respect to payments, funds transfers and direct debit authorisations, including without limitation maintaining sufficient funds in the relevant accounts for settling payment and funds transfer instructions from time to time.

(i) The Customer is responsible for its authorised persons

Where the Customer authorises any other person to give instructions or requests to the Bank in connection with the use of the Bank Services (whether the Customer is a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body):

- (i) the Customer is responsible for all the acts and omissions of each person authorised by the Customer;
- (ii) any instruction or request received by the Bank, believed by the Bank in good faith to be given by the Customer or any person authorised by the Customer, will be irrevocable and binding on the Customer; and
- (iii) the Customer is also responsible for ensuring that each person authorised by it will comply with the provisions of this Condition 7 that are applicable to him/her when acting on its behalf.

Bank's responsibilities regarding HKICL FPS

7.8 Where a funds transfer is effected through HKICL FPS, the Bank will process and submit the Customer's instructions and requests to HKICL FPS in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. HKICL FPS has the right to process and execute the Customer's Instructions and requests in such sequence or manner as HKICL considers appropriate. The Bank has no control over the operation of HKICL FPS nor the timing on which the Customer's instructions or requests are executed by HKICL FPS. Where the Bank receives status update notifications involving any of the Customer's Proxy ID (or related records) or eDDA setup or any other matter relating to HKICL FPS from or through HKICL FPS from time to time, the Bank will notify the Customer accordingly by such means and at such time as the Bank considers appropriate.

Limitation of liability regarding HKICL FPS

7.9 Without limiting or reducing the effect of Conditions 7.8 and 22 of this Section I:

- (a) the Bank is not liable for loss, damage or expense of any kind which the Customer or any other person may incur or suffer arising from or in connection with the use of the Bank Services or the processing or execution of instructions or requests given by the Customer in relation to the Bank Services or HKICL FPS, except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable arising directly and solely from the Bank's gross negligence or wilful default or that of the Bank's officers, employees or agents;
- (b) for clarity, the Bank is not liable for loss, damage or expense of any kind which the Customer or any other person may incur or suffer arising from or in connection with one or more of the following:
 - (i) the Customer's failure to comply with its obligations relating to the Bank Services; and
 - (ii) any delay, unavailability, disruption, failure, error of or caused by HKICL FPS, or arising from any circumstances beyond the Bank's reasonable control; and
- (c) in no event will the Bank, its affiliates or group companies, its licensors, and the respective officers, employees and agents of the foregoing parties be liable to the Customer or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).

Customer's responsibilities regarding funds transfer

7.10 The Customer may only effect a funds transfer (local or overseas) with the Bank by issuing an Instruction in the form and by means acceptable to the Bank from time to time (e.g. electronic clearing, TT, RTGS or HKICL FPS). If the Customer desires a funds transfer to occur on a particular date, that date must be clearly stated in the Instruction.

7.11 The Customer (and not the Bank) is responsible for ensuring the Customer has suitable information about the following matters:

- (a) any exchange control or restriction which may be imposed by Applicable Regulations; and
- (b) any charges which may be imposed by a correspondent or beneficiary bank or any other bank or a Participant.

7.12 The Customer must ensure that the beneficiary account information provided to the Bank is correct and complete and satisfies the verification procedures adopted by the beneficiary bank. The Bank will not verify the beneficiary account information.

Bank's rights regarding funds transfer

7.13 Unless otherwise specified by the Bank, the Bank may do any of the following:

- (a) refuse an Instruction to effect a funds transfer;
- (b) effect a funds transfer Instruction using any routing arrangement at the Bank's discretion;
- (c) send the funds transfer either in words or in code;
- (d) convert the currency of the funds transfer, if the beneficiary account is in a currency that is different from the remitting currency;
- (e) effect the funds transfer through a correspondent or beneficiary bank or a Participant other than that specified by the Customer – this may be required, for example, by operational circumstances or Applicable Regulations;
- (f) if the beneficiary of a payment does not maintain an account with an HSBC Group member or HSBC agent, pay that beneficiary other than by funds transfer, and in accordance with the accepted banking practice in the place where payment is to be received; or
- (g) effect the funds transfer on the basis of a provisional exchange rate, subject to adjustment when the actual exchange rate is ascertained, and debit or credit any difference between the provisional rate and the actual rate to a Customer account.

7.14 While the Bank will endeavour to give effect to the Customer's requests regarding charges relating to the funds transfer, the Customer understands that the Bank only has discretion regarding its own charges. Where the Customer has requested to pay overseas charges or other bank's charges, the Bank will communicate such request but whether the beneficiary can receive the full amount of the funds transfer will depend on the practice adopted by the correspondent bank and/or beneficiary bank and/or the Participant involved, which is beyond the Bank's control and the Bank cannot be held responsible or liable for the same.

What the Bank is not responsible for

7.15 The Bank is not responsible for any of the following:

- (a) any Loss, delay, Error, omission or alteration of the message which may occur in the transmission of a funds transfer Instruction;
- (b) any misinterpretation by the recipient of the message in a funds transfer Instruction;
- (c) processing a funds transfer Instruction on the day of the Bank's receipt, if the Bank's remittances department does not receive it before the relevant cut-off time;
- (d) the funding arrangement requirements of the settlement banks; or
- (e) the availability of the relevant services – including, for example, the availability of the clearing system of the applicable currency and the location of the correspondent or beneficiary bank or the Participant.

7.16 The matters referred to in Conditions 7.15(c) to (e) of this Section I may mean that the Customer's Account will be debited before the day on which payment in respect of a funds transfer is received by the beneficiary bank. The Bank is not responsible for any interest expense or Loss incurred or suffered by the Customer or any other person resulting from that debit.

Communications with the correspondent or beneficiary bank or the Participant

- 7.17 The Bank will endeavour to communicate to the correspondent bank, beneficiary bank or the Participant (as applicable) each of the following:
- (a) any payment condition the Customer specifies in a funds transfer Instruction;
 - (b) any message to the beneficiary the Customer specifies in a funds transfer Instruction; and
 - (c) any Customer's request to pay the Customer's charges or overseas charges.
- 7.18 However, the Bank is not responsible or liable for any Loss arising from any of the following:
- (a) a failure to satisfy the payment condition referred to in Condition 7.17(a) of this Section I – the Bank may effect payment whether or not that payment condition is satisfied;
 - (b) failure by the correspondent bank, beneficiary bank or the Participant to communicate or act on any message referred to in Condition 7.17(b) of this Section I;
 - (c) the outcome of the Customer's request in Condition 7.17(c) of this Section I; or
 - (d) a rejection by a beneficiary bank or a Participant of any payment request, for whatever reason.

Overriding right of refusal to process

- 7.19 The Bank has the overriding right to refuse to process or effect, without notice, payments of funds transfer, if the Bank reasonably believes any one of the following has occurred:
- (a) there are insufficient available funds in the Account specified in the Customer's Instruction from which payment is to be made;
 - (b) any information given in the relevant Instruction is incorrect, incomplete or unclear;
 - (c) the relevant Instruction or processing of the relevant Instruction would breach any Applicable Regulations; or
 - (d) the Customer has specified additional Instructions or requests relating to the funds transfer, and those additional Instructions or requests are not acceptable to the Bank.

Anti-money laundering and anti-terrorist financing

- 7.20 The Customer acknowledges that, in processing a funds transfer Instruction, the Bank may be required by Applicable Regulations concerning anti-money laundering and anti-terrorist financing activities to disclose personal data or other information about the Customer. The information disclosed may include the originating account number and the Customer's name, address, date of birth, personal or corporate identity document number and other unique references about the Customer.
- 7.21 In connection with any disclosure required to be made under Condition 7.20 of this Section I:
- (a) the Customer expressly authorises the Bank to make the required disclosure to any correspondent or beneficiary bank or Participant, the payee or any Authority the Bank considers appropriate; and
 - (b) the Customer expressly authorises each correspondent bank or beneficiary bank or Participant to make the required disclosure to any other correspondent bank or beneficiary bank or Participant, the payee or any Authority that correspondent bank or beneficiary bank or Participant considers appropriate.

Stop payment Instructions

- 7.22 The Bank is not required to process any stop payment Instruction received by the Bank, including when the Customer's Account has not been debited when the Bank receives that Instruction.
- 7.23 The Bank may at its discretion process a stop payment Instruction using its commercially reasonable efforts. The Bank will notify the Customer whether the Bank has successfully executed that stop payment Instruction as soon as reasonably practicable following the date the Bank receives such Instruction. The Bank will not be able to process any stop payment Instruction for any funds transfer in which the Customer's Account has already been debited.

8 Account Packages

- 8.1 The Bank may do any of the following:
- (a) allocate to a Customer, vary or withdraw from a Customer, an Account Package or the Features of an Account Package – which are typically made by reference to pre-designated criteria made available by the Bank to the Customer;
 - (b) designate one or more Account Package(s) with different Features, which may include enhanced services, preferential terms, preferential interest rates and/or special promotions on other accounts;
 - (c) allocate (but without any obligation to do so) an Account Package to a Customer holding a current Master Account either at the request of the Customer or at the Bank's sole discretion; or
 - (d) at any time and from time to time vary or entirely withdraw an Account Package, either at the request of the Customer or at the Bank's sole discretion.
- 8.2 The allocation or withdrawal of an Account Package to or from a Customer or the variation of an Account Package so allocated, whether at the request of a Customer or at the Bank's sole discretion, will be made by reference to pre-designated criteria, subject always to the final decision of the Bank. These criteria may include, without limitation, the value of assets deposited by the Customer with the Bank and/or the amount of credit facilities granted by the Bank to the Customer from time to time and are subject to changes at the Bank's discretion. The most updated criteria and other details concerning the Account Packages are available from the Bank upon request.
- 8.3 Upon exercising any right referred to in Condition 8.1 of this Section I, the Bank will notify the Customer using means as it shall deem reasonable.
- 8.4 The Customer is solely responsible for ensuring that all the criteria for maintaining an Account Package and the terms and conditions for enjoying the Features in that Account Package are fully satisfied and observed. However, the Customer's fulfilment of all such criteria and terms and conditions does not prejudice the Bank's overriding right to allocate, vary or withdraw an Account Package.
- 8.5 Neither the variation of an Account Package nor the termination of any Features will affect these Conditions or any other Conditions of those Features, which will in each case continue to bind the Customer until all obligations and liabilities owing by the Customer to the Bank with respect to such Features have been fully repaid and satisfied. All applicable provisions of these Conditions and other Conditions governing the use of any new or additional Features that the Customer enjoys as a result of the variation of the Account Package, will bind the Customer.
- 8.6 The Bank is not liable or responsible for any Loss incurred by, or inconvenience caused to, a Customer, as a result of any allocation or withdrawal of an Account Package to or from a Customer or any variation of an Account Package.
- 8.7 The Bank's records are conclusive as to the Account Package allocated to a Customer, except for manifest error.
- 8.8 The withdrawal of an Account Package does not affect the Customer's use or operation of the Master Account or of any other Account, unless the Bank confirms otherwise to the Customer.

9 Consolidated Statements

- 9.1 The Bank will provide a Consolidated Statement to a Customer on a monthly basis (or such other intervals as may be determined by the Bank from time to time) unless the Customer has notified the Bank that it does not require a Consolidated Statement. However, the Bank is not required to provide a Consolidated Statement if there is no transaction, no account balance and no accrued interest in the Master Account during the relevant period.
- 9.2 A Customer's Consolidated Statement will include information on its Services, Accounts and Account Package. A Consolidated Statement may also include information on other services, products or accounts of the type selected by or relating to the Customer which are maintained with, or provided by, the Bank or any of its subsidiaries, under the same identification documents as the Master Account.
- 9.3 The Customer must notify the Bank of any alleged Error in a Consolidated Statement within 90 days following the Bank's delivery of that Consolidated Statement. If the Bank does not receive any such notice from the Customer within that period:
- (a) that Consolidated Statement will be treated as correct, conclusive and binding on the Customer; and
 - (b) the Customer will be treated as having waived any right to raise an objection or pursue a remedy against the Bank in relation to that Consolidated Statement.
- 9.4 The Bank may provide copies of the Consolidated Statement or any other information on or relating to the Master Account to any one or more directors or partners of the Customer, or such other Persons the Bank reasonably believes are members of the governing body of the Customer, and the Bank may charge the Customer an administrative fee for doing so.
- 9.5 The Customer will be considered as having received a Consolidated Statement:
- (a) on the day of personal delivery to the Customer;
 - (b) on the day the Bank posts it to the Customer;
 - (c) on the day the Bank emails it to the Customer; or
 - (d) on the day the Bank places it in the Customer's online internet banking profile if it is made available there.

10 Joint Accounts

- 10.1 Each Joint Signatory is jointly and severally liable with each other Joint Signatory for the obligations and liabilities under each Account maintained by them, each Service utilised by them and under these Conditions.
- 10.2 If a Joint Signatory is authorised to operate an Account singly, the Bank may do each of the following:
- (a) comply with any Instruction or other directions given by any Joint Signatory for or in connection with that Account (unless the Bank agrees or decides otherwise) - this includes for example, an Instruction to close that Account; and
 - (b) treat the Instruction for a forward date transaction last received by the Bank as the final Instruction for that transaction.
- 10.3 Upon any Joint Signatory accepting the Conditions governing an Account or Service, each other Joint Signatory will be bound by those Conditions.
- 10.4 Each Joint Signatory is bound by these Conditions and such other terms and conditions governing the relevant Account or Service, even if either of the following deficiencies exist, and whether or not the Bank knows or ought to have known about them:
- (a) a Joint Signatory intended to be bound by these Conditions or such other terms and conditions is not in fact bound; or
 - (b) any of these Conditions or any other terms and conditions are invalid or unenforceable against a Joint Signatory or any other Person.
- 10.5 The Bank may deal separately with any Joint Signatory on any matter without limiting or reducing the Bank's rights, powers and remedies against another Joint Signatory. This may include either of the following, for example:
- (a) varying or discharging any liability to any extent; or
 - (b) granting time or other indulgence or making other arrangements.
- 10.6 Any notice under these Conditions to any Joint Signatory will be treated as effective notice to all Joint Signatories.
- 10.7 Without limiting or reducing the effects of any other Condition, the Bank is authorised to disclose to all Joint Signatories:

 - (b) any personal data and other information relating to, or provided by, any Joint Signatory.

- 11.3 If any debit referred to in Condition 11.2(a) of this Section I causes the relevant Account to be overdrawn, the Customer is liable to repay the outstanding amount to the Bank on demand, together with fees, expenses and interest accruing on the outstanding amount at the rate set by the Bank.
- 11.4 If the Bank makes a demand referred to in Condition 11.3 of this Section I, the amount demanded will remain outstanding to the Bank on substantially the Conditions in force immediately before the Bank made the demand or on such other conditions considered appropriate by the Bank.
- 11.5 The Bank's rights under this Condition 11 shall not be affected by the death or legal incapacity of the Customer or any person(s) comprising the Customer.

- 11.6 The Customer acknowledges and agrees that, at any time, the liabilities the Bank owes the Customer will not exceed the net amount of any credit balance or credit facility standing to the credit of any Account after deducting or providing for the total of all liabilities the Customer owes the Bank.

- 13.6 The partnership will not be treated as being dissolved for any reason until the relevant authority has been revoked in writing by any partner or the legal personal representatives or trustees of any partner, in each case comprising the partnership.

All agreements, terms and conditions governing the respective accounts, cards, services and products accessible or covered by the Phone Banking Services, including in the other Conditions, also apply to the Phone Banking Service, unless the Bank otherwise agrees. The Customer further agrees that the Bank may pay such Persons remuneration of any nature (whether fees, commissions, rebates or other payments) for the services provided by them to the Bank. The Bank may also pay remuneration to members of the HSBC Group or other Persons in return for introducing the Customer to the Bank. The payment of such remuneration by the Bank does not affect the amount of fees or charges payable by the Customer to the Bank in connection with the Services or an Account (including fees of any collection agent employed by the Bank or legal fees in demanding, collecting, suing or recovering any outstanding or overdue amount).
- 18.5 The Bank may accept from any manager, stockbroker, underwriter or any other person (whether or not a member of the HSBC Group) any rebate or payment of brokerage, commission, fee, incentive, discount or other benefits arising out of, or in connection with, the provision of the Services, including any amount payable to the Bank in respect of a transaction involving the purchase or sale of any securities or other assets for the Customer. The Bank is entitled to retain those amounts for the Bank's own account and benefit absolutely.

Calculation of interest

- 18.6 Interest on an Account accrues:
- (a) on a daily basis;
 - (b) on the credit balance in the Account; and
 - (c) at the interest rate specified by the Bank at the Bank's discretion;
 - (d) in the case of HKD, compounded at such intervals as may be specified by the Bank.
- 18.7 Interest rates applicable from time to time on an Account will be displayed at the Bank's premises, published on the Bank's website and/or advertised in the media. If the interest rate is above zero, interest is payable by the Bank to the Customer and will become a credit entry to that Account at the end of each calendar month (or at such other interval set by the Bank)..

18.8 The Bank has the right to set or vary without prior notice, any minimum credit balance in an Account for interest to accrue. No interest will accrue if the credit balance in the Account falls below the minimum credit balance set by the Bank.

Insufficient funds

18.10 If the Customer gives the Bank an Instruction to pay to, or withdraw from, a Customer's Account which is a Savings Account, or a HKD, US Dollar or Renminbi Current Account and:

- (a) there are insufficient funds in that Account; or
- (b) if such Instruction was executed, the Customer's Account would be overdrawn or exceed an existing overdraft limit,

- (a) refuse the Customer's request referred to in Condition 18.10 of this Section I and impose a service charge for considering and refusing that request; or
- (b) agree to that request and provide the Customer with an overdraft or an increase to the Customer's existing overdraft. The amount of that overdraft or increase will be subject to the Bank's prevailing interest rate and calculated on a daily basis. The Bank may charge an arrangement fee for any overdraft or increase.

- 3.4 The Customer may apply for a cheque book for the Customer's Current Account by presenting a duly completed and signed cheque book application form to the Bank or by any other means acceptable to the Bank. The Bank has the right to not issue a cheque book. The Bank will deliver a cheque book by post to the Customer's address on the Bank's records (or by such other means as determined by the Bank). The Bank is not responsible for any delay or loss caused by any means of delivery.
- 3.5 Before using a new cheque book, the Customer must check the cheque serial numbers, account number and the Customer's name printed on the cheques and the total number of cheques. The Customer must report any irregularity to the Bank as soon as reasonably practicable.
- 3.6 The Customer must delete the words "or *bearer*" and cross a cheque if the Customer intends to deliver it other than in person.
- 3.7 The Customer must be careful in drawing a cheque to ensure that it is correct. The Customer must not draw a cheque in any manner that may allow it to be altered or may facilitate fraud or forgery. In particular, the Customer must:
 - (a) write the amount in the spaces provided on the cheque, both in words and figures as close to each other and to the left hand margin as possible, leaving no space for inserting other words or figures;
 - (b) add the word "only" after stating the amount in words and use only Arabic numerals to state the amount in figures;
 - (c) write and sign the cheque with non-erasable ink or ball-point pen in Chinese or English;
 - (d) sign the cheque so that the Customer's signature matches the specimen signature on the Bank's record;
 - (e) confirm any alteration on the cheque by the Customer's full signature - the Customer agrees that the Bank is not responsible for any loss arising from an alteration which cannot be readily detected by the Bank; and
 - (f) comply with the conditions printed on the inside cover of a cheque book and any other conditions in force.
- 3.8 The Customer must report any loss, theft or unauthorised use of a signed cheque or a cheque book to the Bank in writing as soon as reasonably practicable.

Bank's authorisations

- 3.9 The Customer agrees and authorises the Bank to do each of the following:
 - (a) record a cheque drawn by the Customer in electronic or other form as the Bank considers appropriate;
 - (b) allow the cheque after payment to be retained by the collecting bank or Hong Kong Interbank Clearing Limited for a period specified in the rules relating to the operation of the clearing house for the related currency, and to be destroyed by the collecting bank or Hong Kong Interbank Clearing Limited after that period; and
 - (c) contract with collecting banks, Hong Kong Interbank Clearing Limited and other persons in relation to the arrangements and matters set out in Conditions 3.9(a) and (b) of this Section III.

Bank's rights

- 4.1 The Bank has the right to not pay a cheque in each of the following cases:
 - (a) if there are insufficient funds in the Account;
 - (b) if there is an error on the cheque; and
 - (c) for any other reason the Bank considers appropriate.
- 4.2 If either of the circumstances referred to in Condition 4.1(a) or (b) of this Section III occurs, the Bank has the right to return the relevant cheque and impose a service charge.

Insufficient funds

- 4.3 Conditions 18.10 and 18.11 (Insufficient funds) of Section I apply to each Current Account maintained by the Customer.

5 Stop payment order

- 5.1 The Customer must give the Bank a clear Instruction if the Customer wishes to stop payment of a cheque. The Bank has no obligation to act on the Customer's Instruction if the Bank does not receive it in time to enable the Bank to stop payment.
- 5.2 The Customer must clearly identify the cheque in the Customer's Instruction by quoting the cheque number. If the Customer quotes any other detail instead of the cheque number, the Bank has no obligation to, but may, act on the Customer's Instruction at the Bank's discretion without being liable. If the Customer quotes any other detail in addition to the cheque number, the Bank is not responsible for checking whether that detail conforms with the corresponding detail on the cheque in question.
- 5.3 The Bank has no obligation to act on an Instruction to stop payment if the Bank is unable to verify its authenticity. However, that does not restrict the Bank from acting on an Instruction at the Bank's discretion if the Bank believes in good faith that it is given or authorised by the Customer. In any case, the Bank is not liable and the Customer will be bound by that Instruction if the Bank acts on it even if it is incorrect, false or unclear or was not given or authorised by the Customer. The Customer should confirm an Instruction as soon as reasonably practicable in a manner accepted by the Bank.

6 OD Protection

If an overdraft protection facility ("**OD Protection**") with a pre-defined limit is granted to the HKD Current Account, the Customer agrees that:

- 6.1 the OD Protection may be granted, revised and cancelled at any time at the Bank's sole discretion without notice;
- 6.2 the pre-defined limit of the OD Protection is subject to variation by the Bank;
- 6.3 interest on the OD Protection will accrue at the rate determined by the Bank and will be payable monthly by debiting the HKD Current Account; and
- 6.4 the Bank has the overriding right at any time to demand immediate repayment of any debit balance (plus interest) created under the OD Protection.

 - (c) with respect to such range of maturity dates,
- as determined by the Bank from time to time.
- 2.4 If a cheque deposited in, and credited to, a Time Deposits Account, is denominated in a currency that is different to that of the Time Deposits Account and that cheque is subsequently returned, the Bank may debit that Time Deposits Account with an amount calculated, at the Bank's discretion, using:
- (a) the Bank's prevailing buying or selling rate; or
 - (b) the original buying or selling rate, which may differ from the rate applicable at the time of crediting that Time Deposits Account.
- 2.5 If there are insufficient funds in the Time Deposits Account referred to in Condition 2.4 of this Section V, the Bank is entitled to debit the amount concerned from any other account maintained by, and held in the name of, the Customer, including, without limitation, any other Account.

- 3.1 The Bank reserves the right to vary the interest rate applicable from time to time on a Time Deposit at the Bank's sole discretion, as displayed in the Bank's premises, published on the Bank's website and/ or advertised in the media.
- 3.2 Interest on a Time Deposit will accrue to the day prior to maturity of the Time Deposit and is payable on the due date.
- 3.3 If the interest rate is above zero, interest is payable by the Bank to the Customer and may be either withdrawn or added to the principal on a Business Day.
- 3.4 Notwithstanding Conditions 3.1 to 3.3 of this Section V, accrued interest on deposits which are not less than a prescribed amount and which are for a term of not less than eighteen (18) months, will be paid by the Bank at the end of each calendar half-year on those dates determined by the Bank. Monthly interest may be paid by the Bank upon request by the Customer on HKD deposits of not less than a prescribed amount for a prescribed term, as determined by the Bank.
- 3.5 Details of accrued interest and the amount of tax deducted (if applicable) will be advised each time a Time Deposit is withdrawn or renewed.

4 Withdrawal and Renewal of Time Deposits

- 4.1 At the request of the Customer, the Bank may at its discretion repay a Time Deposit before the due date. However, if there is such early repayment, the Bank:
- (a) is not required to pay any interest on the relevant Time Deposit;
 - (b) may recover a handling charge and the additional cost (if any) of obtaining funds in the market for the remaining period of the relevant Time Deposit;

The Customer may give the Bank an Instruction directly or through local bankers in writing or by such other means acceptable to the Bank.
- 4.5 Where automatic renewal Instructions are given for Time Deposits and the Bank accepts such Instructions, the prevailing rate of interest applied will be the rate of interest (whether above or below zero) applicable on the due date at such time as the Bank at its sole discretion decides. Even if the Bank has accepted an Instruction to renew automatically, the Bank has the right unilaterally to cease to act on the Instruction at any time without giving reason.
- 4.6 If no disposal instructions are received by the due date, interest on the due date and thereafter will accrue on the principal amount only. The interest will accrue at the Bank's daily savings deposit rates applicable during the period on and after the due date in respect of the relevant currency concerned. If the Bank's daily savings deposit rates are above zero, accrued interest payable by the Bank will be credited into the relevant account on a Business Day only when instructions to credit are received.
- 4.7 Withdrawals in Foreign Currency cash are subject to seven (7) days' prior notice and availability of the currency in question.

- 3.4 Cash or cheques deposited with any ATM by use of the Card will be credited to the relevant Account, subject to subsequent verification by the Bank in its normal course of business. The statement issued by the ATM at the time of deposit only represents what the Customer purports to have deposited and will not bind the Bank. Cheques will be accepted for collection only and the proceeds will not be available until they have been cleared.
- 3.5 The Bank will not be liable for any consequential or indirect damages arising from or related to the use of the Card.
- 3.6 The relevant Account will be debited with such charges as the Bank may from time to time consider reasonable in respect of the Card. The Bank will give notice of the latest charges to the Customer or Cardholder (as applicable) in such manner as the Bank considers appropriate.
- 3.7 The Bank may disclose in strict confidence to other institutions (whether within or outside Hong Kong), such information concerning the Card and the Accounts as may be necessary or appropriate in connection with its participation in any electronic fund transfer network or generally to facilitate its provision of any and all services relating to the Card.
- 3.8 Through ATMs or other means, the Bank may provide information about products, services and banking facilities offered by the Bank, other members of the HSBC Group or those selected third parties which the Bank thinks may interest the Customer. The information accessible by the Customer and the Cardholder may include, among other things, indicative facility limits, indicative pricing or business terms that may be applicable to the Customer. Additional terms and conditions may apply to these products, services and banking facilities.
- 3.9 For the purposes of this Section VI, all references to "**Accounts**" will include all accounts accessible by the Card.
- 3.10 The Customer will maintain a record of the name and identification of the Cardholder of each Card issued to the Customer and will produce such record to the Bank on demand. The Customer undertakes to ensure that the Cardholders agree to the foregoing and will comply with all these Conditions to the extent applicable, as if each of them were the Customer.

Section VII Secured Credit

1 General

This Section VII applies, and only applies, to the Customer's use of a Secured Credit. All Conditions set out in Section I also apply to the Customer's use of a Secured Credit, unless the Bank otherwise agrees. This Section VII prevails over the Conditions in Section I to the extent of any inconsistency between them (save for Condition 19 (Collection and Disclosure of Customer Information) of Section I.

2 Overview

2.1 Any Secured Credit is made available at the Bank's sole discretion and is subject to these Conditions and any other terms and conditions specified by the Bank from time to time. The availability and utilisation of the Secured Credit is also subject to the completion and production of any other agreements, documents, applications and evidence which may be required by the Bank from time to time.

2.2 If a Secured Credit is granted to the Customer, the Customer will be notified by a confirmation letter which will set out (among others):

- (a) the credit limit, or the basis upon which the credit limit is calculated (or both);
- (b) the applicable interest rate, or the basis upon which the interest rate is calculated (or both); and
- (c) any other terms for granting the Secured Credit.

Such notification by letter constitutes a binding agreement as regards the granting of the Secured Credit, on the terms and conditions listed in that letter (as varied from time to time).

2.3 The Bank reserves the overriding right at any time to demand immediate repayment of the Secured Credit outstanding at that time and the right to reduce or withdraw the Secured Credit. In addition, the Bank has an unrestricted discretion to cancel or suspend, or determine whether or not to permit drawings, in relation to the Secured Credit.

2.4 An annual non-refundable service fee on the current overdraft limit calculated at the rate to be determined by the Bank from time to time, will be debited annually at the Bank's absolute discretion from the account to which the Secured Credit has been granted.

2.5 Interest on the Secured Credit will accrue at the rate or rates determined and will be subject to variation from time to time by the Bank at its absolute discretion and will be payable monthly to the debit of the account to which the Secured Credit has been granted.

2.6 The Customer will notify the Bank as soon as possible of any difficulty in repaying any amount outstanding under the Secured Credit.

2.7 The Secured Credit is subject to the Bank's review at any time.

3 Security over Customer's Assets

3.1 In consideration of the Bank providing the Services and granting or continuing to make available the Secured Credit, the Customer, as beneficial owner, hereby charges, pledges and assigns the Secured Assets to the Bank as a continuing security for the payment by the Customer of the Secured Indebtedness. For the avoidance of doubt, no security will be created if no Secured Credit is granted by the Bank to the Customer.

3.2 In this Section VII:

(a) **"Ceiling Limit"** means the maximum principal amount of the Secured Credit:

- (i) as elected by the Customer and accepted by the Bank; or
- (ii) if no such election has been made, as prescribed by the Bank from time to time.

(b) **"Secured Assets"** means:

- (i) subject to Condition 3.2(b)(ii) below, all assets and property of the Customer which stand to the credit of the Master Account at any time of and up to an amount equal to the Secured Assets Value, comprising, without limitation, deposits (including renewals and extensions thereof), money, interest on such deposits and money (irrespective of the currency of denomination and any change therein), gold and any other precious metal and commodity, stocks, shares, bonds, notes, options and other money market, debt and financial instruments, whether negotiable, bearer or otherwise, investments and securities of all kinds, all rights and benefits attached or accruing thereto and the proceeds thereof; and
- (ii) (if the value of the assets and property (as conclusively determined by the Bank) in the Master Account at any relevant time exceeds the Secured Assets Value at that time), a portion of the assets and property in the Master Account of and up to the Secured Assets Value at that time comprising assets and property in accordance with the order of priority as specified in the Business Integrated Account Secured Credit Interest Rate and Loan Ratio Table, as amended and notified by the Bank to the Customer from time to time.

(c) **"Secured Assets Value"** means the value determined by the Bank to be appropriate to secure the Ceiling Limit from time to time in accordance with the loan-to-asset ratio specified and notified by the Bank to the Customer from time to time.

(d) **"Secured Indebtedness"** means all money (including interest, fees, charges, costs and expenses), in whatever currency, which are now or may at any time hereafter be or become, from time to time, due or owing to the Bank by the Customer in respect of the Secured Credit made available to the Customer and which the Customer hereby agrees is payable on demand. Any statement of account signed as correct by any of the Bank's duly authorised officers will be conclusive evidence of the Secured Indebtedness.

3.3 The Customer hereby irrevocably and by way of security appoints the Bank to be the Customer's attorney and in the name of and on the Customer's behalf and as the Customer's act or deed or otherwise, without any reference to or consent from the Customer, to execute all documents and to do all things as may be required for the full exercise of all or any of the powers conferred on the Bank under this Section VII or as the Bank may deem expedient in connection with the Secured Assets. This power of attorney is coupled with an interest and is irrevocable and will remain irrevocable as long as any Secured Indebtedness remains outstanding. The Customer ratifies and confirms and agrees to ratify and confirm any agreement, act or thing which any attorney appointed under this Condition 3.3 may lawfully execute, seal, deliver or do.

3.4 The Customer undertakes at all times to maintain in the Master Account assets and property of a value (according to the determination of the Bank) that exceeds or equals the value determined by the Bank to be appropriate to secure the amount of Secured Indebtedness from time to time in accordance with the loan-to-asset ratio specified and notified by the Bank to the Customer from time to time.

3.5 The Customer hereby undertakes, during the continuance of the security created hereunder, to maintain absolute title to the Secured Assets and not, without the Bank's prior written consent, to withdraw, sell, dispose of or deal with or to charge, pledge, assign otherwise encumber or grant or suffer to arise any third party rights over or against any of the Secured Assets, except in the Bank's favour.

3.6 If the Customer creates or purports to create any security (whether fixed or floating) over the Secured Assets or any part thereof in breach of Condition 3.5 of this Section VII or if any person levies or attempts to levy any form of process against the Secured Assets or any part thereof, the security created by Condition 3.1 of this Section VII, to the extent that it may be a floating charge, will automatically and without notice from the Bank crystallize and operate as a fixed charge instantly when such event occurs.

4 Further Assurances

- 4.1 The Customer undertakes, if and when required by the Bank, to execute such further documents or do such agreements, assurances, acts and things as the Bank will require in respect of the Master Account to:
- (a) secure the Secured Indebtedness;
 - (b) perfect, protect or improve any security created or intended to be created by Condition 3 of this Section VII; or
 - (c) facilitate the exercise or proposed exercise by the Bank of any of its rights under this Section VII.
- 4.2 The Customer undertakes to pay the Bank, on demand, all the Bank's expenses (including legal and out-of-pocket expenses) of reasonable amount and reasonably incurred by the Bank in contemplation of, or in connection with, the preservation, enforcement or exercise of any rights under this Section VII.
- 4.3 Payments by the Customer will be made to the Bank as specified by the Bank without any set-off, counterclaim, withholding or condition of any kind except that, if the Customer is compelled by law to make such withholding, the sum payable by the Customer will be increased so that the amount actually received by the Bank is the amount it would have received if there had been no withholding.

5 Enforcement of Security

- 5.1 If:
- (a) the Customer has failed to pay any Secured Indebtedness on demand or is in default under any of these Conditions;
 - (b) the Customer is unable or admit inability to pay debts as they become due;
 - (c) any proceedings in or analogous to the bankruptcy, insolvency or composition of the Customer are commenced; or
 - (d) legal process is levied or enforced against any of the Customer's assets,
- the Bank may, without notice, legal process or any other action with respect to the Customer, realise or sell the Secured Assets or any of them, at any time and in any way which the Bank may deem expedient, free from and discharged from all the Customer's trusts, claims, rights of redemption and equities, in or towards settlement of the Secured Indebtedness. The Customer will not have any right or claim against the Bank in respect of any loss arising out of such realisation or sale, howsoever such loss may have been caused.
- 5.2 Without prejudice to Condition 3 of this Section VII and insofar as the security created by Condition 3.1 of this Section VII is a floating charge, the Bank may, without prejudice to the above, convert the floating charge into a specific fixed charge at any time and from time to time by notice in writing to the Customer.
- 5.3 The proceeds of the realisation or sale of Secured Assets may be placed by the Bank to the credit of a suspense account with a view to preserving the Bank's rights to prove for the whole of the Bank's rights against the Customer in the event of any proceedings in or analogous to bankruptcy, insolvency, winding-up, liquidation or composition and may also be applied by the Bank to such account, obligation or liability of the Customer as the Bank may, at the Bank's sole discretion, from time to time conclusively determine.
- 5.4 If the currency of any Secured Indebtedness is not the currency in which the Secured Assets or any of them are denominated, the conversion will be calculated at the Bank's spot buying rate of exchange (as conclusively determined by the Bank) for the currency for which the Customer is liable against the currency in which the relevant Secured Assets are denominated.
- 5.5 No payment to the Bank (whether under any judgment or order of any court or otherwise) will discharge an obligation in respect of the Secured Indebtedness unless and until the Bank has received payment in full in the currency in which such obligation was incurred and, to the extent that the amount of any such payment will, on actual conversion into such currency, fall short of such obligation expressed in that currency, the Bank will have a further separate cause of action against the Customer and will be entitled to enforce the security hereunder to recover the amount of such shortfall.

6 Nature of Security

- 6.1 The security created under Condition 3.1 of this Section VII is a continuing security and will cover and secure the ultimate balance of the Secured Indebtedness from time to time owing to the Bank by the Customer on each separate account or in any manner whatsoever, notwithstanding the Customer's death, bankruptcy, incapacity, winding-up, liquidation, insolvency or the Bank's receipt of notice of any such occurrence or any settlement of account or other matter whatsoever.
- 6.2 The security created under Condition 3.1 of this Section VII is in addition to and may be enforced notwithstanding any guarantee, indemnity, assurance, pledge, lien, bill, note, mortgage, charge, debenture, security or other right, power or remedy now or hereafter held by or available to the Bank.
- 6.3 Any release, discharge or settlement between the Bank and the Customer is conditional upon no security, disposition or payment to the Bank by the Customer or any other person being avoided, reduced or repaid pursuant to any provisions or enactments relating to bankruptcy, liquidation, winding-up, insolvency or circumstances analogous thereto and, for such purpose, will be entitled to retain this instrument for such period as the Bank may determine and, if such condition will not be fulfilled, the Bank will be entitled to enforce the security hereunder subsequently as if such release, discharge or settlement had not occurred.
- 6.4 If more than one person comprises the Customer, Condition 3.1 of this Section VII creates a security in the Secured Assets to the full extent of their respective interests therein and none of such persons will be entitled to any rights or remedies of a surety as regards the Customer's obligations.
- 6.5 Any statutory restriction on the right of consolidating mortgage securities contained in any law in force in Hong Kong will not apply to this security.

Section VIII Wayfoong Statement Gold

1 General

- 1.1 This Section VIII applies, and only applies, to the Customer's purchase, sale or other use of Wayfoong Statement Gold. All Conditions in Section I also apply to the Customer's purchase, sale or other use of Wayfoong Statement Gold, unless the Bank otherwise agrees. This Section VIII prevails over the Conditions in Section I to the extent of any inconsistency between them (save for Condition 19 (Collection and Disclosure of Customer Information) of Section I).
- 1.2 The Customer should read the provisions of this Section VIII together with the Wayfoong Statement Gold product key facts statement and product sheet, which are available upon request from any of the Bank's branches.

2 Purchase of Wayfoong Statement Gold

- 2.1 The Customer should give Instructions to purchase Wayfoong Statement Gold in such form and manner set by the Bank from time to time. Each purchase Instruction should be for not less than one (1) unit of Wayfoong Statement Gold or in whole multiples thereof.
- 2.2 The price per unit at which the Customer makes each purchase of Wayfoong Statement Gold should be the prevailing price for purchase of per mace of gold that the Bank conclusively determines at the time the Bank executes the relevant purchase Instruction. Such price is binding on the Customer and is recorded on the receipt relating to the purchase. Any price quoted by the Bank at any other time is for reference only and is valid only at the exact time that it is quoted. The Bank will effect a purchase Instruction, if time permits, during the Business Day of receipt of the Customer's purchase Instruction. However, if a purchase Instruction is to be settled by the Customer by cheque, the Bank will effect that purchase Instruction, if time permits, during the Business Day on which the cheque is cleared.
- 2.3 A purchase of Wayfoong Statement Gold will be settled by:
- (a) an immediate direct debit of the Customer's Current Account or Savings Account or any other account designated by the Customer; or
 - (b) full payment by the Customer in cash, by cheque or by cashier's order on the same Business Day as execution of the purchase Instruction.
- 2.4 The Customer agrees that if the amount of any cheque tendered as payment for a purchase Instruction is insufficient on clearance to purchase the units of Wayfoong Statement Gold specified in the Instruction, the Bank has the right to purchase less units of Wayfoong Statement Gold with the amount of the cleared cheque. The Bank will account to the Customer for any amount of money remaining after that purchase. The Bank is not liable to the Customer for purchasing less units of Wayfoong Statement Gold in that case.
- 2.5 By giving a purchase Instruction, the Customer confirms that the Customer has full right, power and authority to purchase the Wayfoong Statement Gold specified in that Instruction.

3 Sale of Wayfoong Statement Gold

- 3.1 The Customer should give Instructions to sell the Wayfoong Statement Gold held in the Customer's Wayfoong Statement Gold Account in such form and manner set by the Bank from time to time. The Customer should specify in each sale Instruction the Wayfoong Statement Gold Account designation and the number of units of Wayfoong Statement Gold to be sold.
- 3.2 Each sale Instruction is irrevocable. The details specified in the form setting out a sale Instruction are conclusive evidence as to the number of units of Wayfoong Statement Gold to be sold in that transaction in the absence of manifest error.
- 3.3 The price per unit at which the Customer makes each sale of Wayfoong Statement Gold should be the prevailing price for sale of per mace of gold that the Bank conclusively determines at the time the Bank executes the relevant sale Instruction. Such price is binding on the Customer and is recorded on the receipt relating to the sale. Any price quoted by the Bank at any other time is for reference only and is valid only at the exact time that it is quoted.
- 3.4 The proceeds of a sale of Wayfoong Statement Gold will, if time permits, be paid to the Customer on the same Business Day as execution of the sale Instruction. Payment may be made by direct credit to the Customer's Current Account or Savings Account or any other account designated by the Customer. Payment may also be made in cash, by cheque or by cashier's order as specified by the Customer in the sale Instruction.

4 Customer's indemnity

Where the law or any governmental agency or regulatory authority imposes any tax, levy or penalty with respect to the Customer's Wayfoong Statement Gold Account or the purchase or sale of Wayfoong Statement Gold and:

- 4.1 the Bank is liable to pay or withhold any tax, levy or penalty for the Customer as a result of the Customer's failure to pay or withhold it;
- 4.2 the Bank is liable to pay any tax, levy or penalty as a result of the Customer's breach or non-compliance with the Customer's obligations in connection with the Customer's establishment or operation of the Customer's Wayfoong Statement Gold Account or the Customer's use of the related services;
- 4.3 the Bank is liable to pay any tax, levy or penalty as a result of the Customer's breach or non-compliance with any legal or regulatory requirement applicable to the Customer; or
- 4.4 the Bank is liable to pay any tax, levy or penalty in connection with the establishment or operation of the Customer's Wayfoong Statement Gold Account or the purchase or sale of Wayfoong Statement Gold on the Customer's behalf in any other case,

the Customer shall pay and indemnify the Bank against such liability in each case.

5 Risk and other disclosures relating to investment in Wayfoong Statement Gold

- 5.1 The Customer accepts the risks and disclosures set out in this Condition 5.
- 5.2 The gold market is volatile and in particular:
- (a) the value of the Customer's investment in Wayfoong Statement Gold may go down as well as up - it is possible that a loss will be incurred from an investment in Wayfoong Statement Gold;
 - (b) investment in Wayfoong Statement Gold is subject to investment risk and is not insured by any governmental agency - this risk includes the possible loss of the principal invested;
 - (c) gold prices have to rise over the purchase price in order to provide a return equal to that of income-producing assets; and
 - (d) Wayfoong Statement Gold Account does not represent a deposit of money and provides no yield or interest.
- 5.3 The Bank does not make, and should not be considered as having made, any representation of any kind on the performance of Wayfoong Statement Gold. The Customer should make each decision to purchase or sell Wayfoong Statement Gold based on the Customer's own judgment. The Customer should not rely on any advice, view or information provided by the Bank or any other member of the HSBC Group.
- 5.4 At no time is the Customer able to take delivery of gold from the Bank. The operation of the Customer's Wayfoong Statement Gold Account is restricted to purchase and sale of units of Wayfoong Statement Gold. When the Customer wishes to close the Wayfoong Statement Gold Account, the Customer may only do so by selling the units of Wayfoong Statement Gold in the Wayfoong Statement Gold Account and receiving the proceeds of sale.
- 5.5 If the Bank accepts any means of giving Instructions not bearing an original signature (e.g. by telephone), the Customer will be bound by each purchase or sale Instruction given by such means. The Customer will be bound by the transaction executed by the Bank at the price the Bank notifies

the Customer using such means (e.g. in the course of the telephone communication). In the case of a purchase Instruction, the Customer must make payment in accordance with Condition 2.3(a) of this Section VIII. In the case of a sale Instruction, the proceeds of sale will be paid to the Customer in accordance with Condition 3.4 of this Section VIII.

- 5.6 The Bank may close the Customer's Wayfoong Statement Gold Account by giving the Customer not less than thirty (30) days' prior notice (or such shorter period subject to the approval by the Securities and Futures Commission of Hong Kong). The Customer could suffer a loss from the sale of the units of Wayfoong Statement Gold upon account closure, depending on the price of gold at the time of account closure.
- 5.7 If the Customer needs to convert the units of Wayfoong Statement Gold held in the Customer's Wayfoong Statement Gold Account to another currency, the Customer may suffer a loss due to foreign exchange rate fluctuations.
- 5.8 If by virtue of or arising out of the purchase or sale of units of Wayfoong Statement Gold in accordance with the Conditions in this Section VIII any profit, commission, fee, benefit or other advantage shall accrue to the Bank or any member of the HSBC Group, the Bank or such member is entitled to retain the same for the Bank's or its own benefit.
- 5.9 The units of Wayfoong Statement Gold held in the Customer's Wayfoong Statement Gold Account is subject to both the actual and perceived measures of the Bank's credit worthiness and there is no assurance of protection against default by the Bank in respect of the Bank's repayment obligations.
- 5.10 The Customer accepts that this Condition 5 explains some principal risks but is not an exhaustive list of all possible risks associated with investment in Wayfoong Statement Gold.
- 5.11 The Bank has the right to vary the provisions of this Condition 5 at the Bank's discretion from time to time upon giving the Customer not less than thirty (30) days prior notice. The Customer will be bound by a variation if the Bank does not receive notice from the Customer to close the Wayfoong Statement Gold Account with effect before the date on which that variation takes effect.

6 Use of Wayfoong Statement Gold for discharging the Customer's liability

- 6.1 The Customer authorises the Bank to appropriate from the Customer's Wayfoong Statement Gold Account such units of Wayfoong Statement Gold as may be required to discharge the Customer's liability to the Bank from time to time. The Bank has a lien over the Wayfoong Statement Gold in the Customer's Wayfoong Statement Gold Account. The lien stands as a continuing security for the payment by the Customer of any liability whether actual or contingent, present or future (including any fees, expenses or interest) owing by the Customer to the Bank.
- 6.2 If the Customer fails to pay any amount due to the Bank within five (5) Business Days after the Bank demands payment, the Bank has the right to sell all or any of the units of Wayfoong Statement Gold in the Customer's Wayfoong Statement Gold Account at any time and in any way which the Bank considers appropriate as if the Bank has received a sale Instruction. The Bank may apply the proceeds of sale in or towards settlement of any amount owing by the Customer to the Bank after deducting the costs and expenses of reasonable amounts and reasonably incurred by the Bank in relation to the sale.

7 Termination of Wayfoong Statement Gold Account

- 7.1 If the Customer's Wayfoong Statement Gold Account is to be closed at any time by the Customer or by the Bank, the Bank will sell the units of Wayfoong Statement Gold in the Wayfoong Statement Gold Account. The proceeds of sale will be paid to the Customer in accordance with Condition 3.4 of this Section VIII. The Wayfoong Statement Gold Account will be closed afterwards.
- 7.2 Subject to the Bank's records, the balance entry in the Customer's Wayfoong Statement Gold Account shall confirm that the Bank holds for the Customer the units of Wayfoong Statement Gold described in that entry.

8 Recording

The Bank may record Instructions or communications with the Customer in connection with the Customer's Wayfoong Statement Gold Account. The Customer consents to such recording and accepts that such recording may be used to resolve any question relating to such Instructions or communications.

9 Communications

If any notice, demand or other communication is sent to the Customer by post, the Customer will be considered as having received such notice, demand or other communication twenty-four (24) hours after posting it to the address last notified in writing by the Customer.

Section IX Structured Investment Deposits

1 General

This Section IX applies, and only applies, to the Customer's purchase, sale or other use of a SID Deposit. All Conditions in Section I also apply to the Customer's purchase, sale or other use of a SID Deposit, unless the Bank otherwise agrees. This Section IX prevails over the Conditions in Section I to the extent of any inconsistency between them (save for Condition 19 (Collection and Disclosure of Customer Information) of Section I).

Sub-Section (A) – General Terms & Conditions for Structured Investment Deposits

1 General Provisions

- 1.1 The conditions set out in this Sub-Section (A) govern all SID Deposits. In addition, Supplemental Conditions where appropriate apply to each relevant type of SID Deposit which the Bank makes available. An Appendix to such Supplemental Conditions and/or the SID Conditions sets out the methodology for determining the Redemption Amount, Return and/or other similar factors in respect of the relevant SID Deposit. Where the Customer places a deposit which is accepted as a SID Deposit by the Bank, a confirmation in respect of the SID Deposit setting out details such as the principal amount of the SID Deposit, and incorporating by reference the relevant Appendix, will be issued to the Customer.
- 1.2 It is anticipated that in addition to any Supplemental Conditions and Appendices set out herein or herewith, further Supplemental Conditions and further Appendices, all of which supplement and form a part of these Conditions, will be produced from time to time.
- 1.3 These Conditions, each set of Supplemental Conditions, and each Appendix (as well as the form of any confirmation used) are subject to change as per these Conditions.
- 1.4 In the event of any conflict, the documentation will govern in the following order:
 - (a) the relevant confirmation;
 - (b) the relevant Appendix;
 - (c) the relevant Supplemental Conditions;
 - (d) the SID Conditions; and
 - (e) the Conditions.

2 SID Deposits

- 2.1 SID Deposits may be made in such currencies as the Bank may allow, with such minimum initial deposit and in multiples of such minimum amounts as the Bank may decide, from time to time.
- 2.2 SID Deposits are to be placed for such SID Deposit Periods as the Bank may allow from time to time.
- 2.3 Funds in respect of a SID Deposit must be received before the Cut-off Time for the relevant SID Deposit Period. Subject to the terms hereof, such funds will be held in an interest-bearing account as a Time Deposit to which the relevant terms hereof will apply, until the relevant SID Deposit Date. Details of interest rates payable will be available upon request. Once funds have been received for the purposes of making a SID Deposit, they may not be withdrawn except in accordance herewith. Subject to the terms hereof, the Reserved Amount will on the SID Deposit Date be placed as a SID Deposit.
- 2.4 No SID Deposit (including the principal amount of any such SID Deposit and any Return or Redemption Amount payable in respect of such SID Deposit) can or will be automatically renewed for any subsequent SID Deposit Period.
- 2.5 The Bank reserves the right, in its sole discretion, on or before a SID Deposit Date either not to accept any funds received (including any Reserved Amount), or to accept only part of such funds, as a SID Deposit (whether or not funds are accepted in whole or in part from any other customer as such SID Deposit). In the event of such non-acceptance, the Bank will notify the Customer as soon as practicable and any funds received but not accepted as a SID Deposit will be placed in the Disposal Account.

3 Withdrawal of SID Deposits

- 3.1 A SID Deposit, or any part thereof, may not be withdrawn without the Bank's consent prior to the SID Maturity Date relating to the current SID Deposit Period.
- 3.2 Where the Bank permits the Customer to redeem a SID Deposit prior to the relevant SID Maturity Date ("**Early Redemption**"), the terms on which such Early Redemption will be permitted will be set out in the relevant Appendix. Note that it is likely that the Return upon such Early Redemption will be lower than if the SID Deposit had been kept in place until the relevant SID Maturity Date (and may be negative).
- 3.3 The Bank will have the discretion to uplift a SID Deposit or any part thereof prior to the SID Maturity Date, and (subject to the deduction of such break costs or the addition of such proportion of the Return or Redemption Amount, as the Bank will conclusively determine to be deductible or to have accrued, which may result in a figure less than the original principal amount of the SID Deposit) place the relevant funds in the Disposal Account or otherwise on interest bearing deposit if it determines, in its sole discretion, that this is necessary or appropriate to protect any right of the Bank to combine accounts or set off, or any security interest, or to protect the Customer's interests.

4 Return and Redemption Amount

- 4.1 Interest may not be paid on a SID Deposit at a predetermined rate. Instead, a Return calculated in accordance with the relevant Supplemental Conditions (and/or the relevant Appendix), will be payable on maturity.
- 4.2 In relation to certain types of SID Deposit, the total amount repayable on maturity is expressed as a Redemption Amount. Such Redemption Amount may, in certain circumstances, depending upon the capital protection provisions which may be applicable, be greater than or less than the original principal amount of the SID Deposit.
- 4.3 The Bank will notify the Customer of the amount of the Return or Redemption Amount payable on or in respect of a SID Deposit as soon as practicable after the SID Maturity Date.

5 Calculations and Determinations

All rates, fixings and values required for the purposes of calculating a Return or Redemption Amount, and all other matters to be ascertained or established in respect of any SID Deposit, will be as conclusively determined by the Bank acting in a reasonable manner in accordance with prevailing market practices.

6 Participation Rate

The Participation Rate (if applicable), which (if applicable) may be different for each type of SID Deposit and for each choice of calculation of Return or Redemption Amount available to Customers, represents the percentage of the increase or decrease (as the case may be), if any, of the underlying index(es) or other reference(s), of which the Customer will receive the benefit over the SID Deposit Period and which is to be used in calculating the Return or Redemption Amount in accordance with the relevant formula set out in the relevant Supplemental Conditions and/or the relevant Appendix. It will be affected by a number of variables such as interest rates, currency exchange rates, market volatility and dividend/coupon yield and will therefore change for each SID Deposit Period.

7 Fees

The Bank reserves the right to impose service fees, facility fees and/or other charges from time to time as the Bank in its absolute discretion thinks fit. The Bank will notify the Customer of any fees or charges imposed (or of any changes to such fees or charges) at least one (1) month in advance. Such fees will not apply in respect of a specific SID Deposit already placed with the Bank during the term of that SID Deposit.

8 Tax

Any Return, Redemption Amount and/or interest will be paid subject to any deduction or withholding in respect of tax required to be made by law. The amount of tax deducted (if applicable) will be advised each time any Return, Redemption Amount and/or interest is paid.

9 Waiver

No act or omission by the Bank will affect its right, powers or remedies hereunder or any further or other exercise of such rights, power or remedies.

10 Business Days

If any payment or calculation to be made or other action to be taken hereunder by the Bank and/or the Customer would otherwise fall on or by reference to a day which is not a Business Day, unless otherwise provided in the relevant Supplemental Terms, Appendix or Confirmation, it will be postponed until (or, as appropriate, by reference to) the first succeeding Business Day.

Sub-Section (B) – Supplemental Terms & Conditions for Currency-Linked Structured Investment Deposits

11 Return and Redemption Amount

The Redemption Amount will be calculated in accordance with the terms of the relevant Appendix to these Supplemental Conditions and be payable on the SID Maturity Date.

12 Interest

12.1 Interest on a SID Deposit in respect of any SID Deposit Period, if stated to be payable in the relevant Appendix to these Supplemental Conditions, will be calculated in accordance with the terms of the relevant Appendix setting out the structure selected by the Customer from those made available by the Bank from time to time, and will be payable on the SID Maturity Date.

12.2 Interest will accrue from and including the SID Deposit Date to but excluding the SID Maturity Date at the applicable Interest Rate per annum on the basis of the actual number of days that have elapsed during such period and in accordance with the prevailing market practices.

13 Risk disclosure

13.1 The Return in relation to a SID Deposit will depend on the exchange rate movements of the relevant currencies prevailing at the fixing time(s) during or in respect of the relevant SID Deposit Period or such other period or periods as specified in the relevant Appendix. The foreign exchange rate(s) may go up or down during such period and this will affect the Return. The Return may be less than that which would have been payable on a time deposit for the same period and it is possible that no amount by way of return will be payable at all.

In particular (but without limitation) the Customer agrees to pay to the Bank on demand or as specified by the Bank the amount of any call received by the Bank or any such person in respect of any such Securities:

- (a) It is the Customer's sole responsibility to handle and/or fulfil any local, overseas or worldwide tax issues, liabilities and/or obligations under all applicable laws (including, without limitation, tax reporting, filing relevant tax return(s), paying any applicable tax and dealing with any application for Tax Reclaim Arrangement) arising from or in connection with trading, holding, disposing of or otherwise dealing with Securities or investment via the Bank. Customers must seek independent professional advice from their own tax advisors to determine their tax position, liabilities and obligations in relation to the relevant Securities or investments. The Bank assumes no responsibility for advising on or handling such tax issues, liabilities and/or obligations nor will the Bank provide any service or assistance in this regard. In this Condition 10.6, "**Tax Reclaim Arrangement**" means any tax refund, tax concession, tax differences reclaim, preferential tax treatment or the like, including any tax credit or refund or a reduced tax rate or preferential tax treatment on interest, dividend, or any other distribution, proceeds or gains from any investment or transaction contemplated under this Section XI and any tax differences reclaim as a result of any change of nationality or domicile or tax residency.

11 Customer Representations and Warranties and Acknowledgements

11.1 The Customer represents and warrants as follows:

- (a) that the Customer is not resident or incorporated in a country where there is any restriction on the Customer's purchase of any Securities. If the Customer becomes resident in any such country or is otherwise subject to such restrictions, the Customer will inform the Bank immediately and will if so required by the Bank sell or redeem any such restricted Securities;
- (b) that the Customer when purchasing or dealing in any Securities will ensure that the Customer is not subject to, and is not acting on behalf of any person who is subject to any prohibition against the purchase or dealing in any such Securities; and
- (c) that the Customer is acting as principal in relation to the Investment Services.

11.2 The Customer acknowledges the following risk disclosure statements:

- (a) Risk of Securities Trading. The prices of Securities fluctuate, sometimes dramatically. The price of a Security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling Securities.
- (b) Risk of Trading Growth Enterprise Market Stocks. Growth Enterprise Market ("**GEM**") stocks involve a high investment risk. In particular companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid. There may be risks arising out of the emerging nature of GEM Companies and the business sectors or countries in which the companies operate. The Customer should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors. 4.5 The Bank may, in its absolute discretion and without liability, refuse to act on or delay acting on a Customer Instruction if any of the following occurs:

However, the Bank reserves the right to refuse to provide the ForEx Switching Service, in its sole discretion.
- 1.2 The ForEx Switching Service will enable the Bank to do any of the following, without notice to or consent from, the Customer:

 - (b) at the Customer's instruction, use any available pre-arranged overdraft facilities under the debit account (the "**Available Credit Limit**") for the ForEx Switching Service;
 - (c) apply the amount debited to the purchasing of the currencies elected by the Customer subject to the Exchange Rate Criteria (as defined below in this Section XIV) elected by the Customer; and
 - (d) credit any and all amount of each purchased currency to any account maintained by the Customer under the Master Account in the relevant currency denomination.
- 1.3 Notwithstanding any provisions to the contrary in these ForEx Terms, the Bank is entitled to prescribe and vary at its discretion from time to time:
- (a) the currencies and any minimum or maximum amount of each currency which may be exchanged by the Customer;
 - (b) any minimum or maximum amount which the Customer may elect to transfer pursuant to the ForEx Switching Service;
 - (c) the timing and frequencies at which transfers may be made pursuant to election by the Customer;
 - (d) the criteria determining the availability and amount of Available Balance, or Available Credit Limit, or both (the "**Balance Criteria**"), which the Customer may elect for the purpose of marking the transfer amount (the "**Marked Transfer Amount**");
 - (e) the criteria determining whether actual transfers are to be made to effect purchases of currencies (the "**Exchange Rate Criteria**"), which the Customer may elect;
 - (f) the timing at which the Bank applies the Balance Criteria elected by the Customer to the relevant account to determine the Available Balance and/or Available Credit Limit, and in turn the Marked Transfer Amount;
 - (g) the timing and frequencies at which the Bank checks the Exchange Rate Criteria elected by the Customer against the prevailing buying rate or selling rate applicable to the relevant currencies quoted by the Bank to determine whether any actual transfer will be made to effect a purchase; and
 - (h) any minimum or maximum number of transfer instructions which the Customer may set up under the ForEx Switching Service, whether by reference to an account, a currency or any other criteria.
- 1.4 The Bank reserves the right not to act on any transfer instruction of the Customer if:
- (a) where (1) the Customer has not instructed the Bank to use any Available Credit Limit, the Available Balance in the debit account is insufficient, at the time of actual transfer, to pay the Marked Transfer Amount determined in accordance with Condition 2.5 of this Section XIV, or (2) where the Customer has instructed the Bank to use any Available Credit Limit, the Available Balance together with the Available Credit Limit in the debit account are insufficient, at the time of actual transfer, to pay the Marked Transfer Amount, whether or not due to any decrease in the Available Balance and/or Available Credit Limit in the account after determining the Marked Transfer Amount; or
 - (b) there are any irregularities concerning the relevant account or other technical or operational reasons not to act on the transfer instruction.

2 Balance Criteria and Exchange Rate Criteria

- 2.1 The Bank may prescribe Balance Criteria and Exchange Rate Criteria by reference to such factors and/or standards and/or a combination of factors and standards at its discretion.
- 2.2 The Customer will elect his Balance Criteria and Exchange Rate Criteria and notify the Bank of his election in such manner as the Bank may require from time to time.
- 2.3 Subject to the agreement of the Bank, the Customer may instruct the Bank in such manner as the Bank may require from time to time to vary any Balance Criteria or Exchange Rate Criteria elected by the Customer and/or to cancel any transfer instruction or suspend it for a specified period. Any instruction received by the Bank pursuant to this Condition 2.3 will not be effective until after the Bank has been given reasonable time to process it. The Bank will continue to act on any transfer instruction unless and until the Bank has received the Customer's instructions otherwise.
- 2.4 Subject to the agreement of the Bank, the Customer may elect a fixed transfer amount or a variable transfer amount, and the Marked Transfer Amount in each case will be determined in accordance with Condition 2.5 of this Section XIV. The Bank will debit the Marked Transfer Amount from the debit account if the Available Balance (or, if the Customer has instructed the Bank to use the Available Credit Limit, the Available Balance together with the Available Credit Limit) are sufficient, at the time of actual transfer, to pay the Marked Transfer Amount. In case of any insufficiency at the time of actual transfer, no transfer will be made. The Bank will not be under any obligation to ensure that any minimum credit balance remains in the debit account after debiting the Marked Transfer Amount.
- 2.5 The Bank will determine the Available Balance and/or the Available Credit Limit, and in turn the Marked Transfer Amount in the debit account by applying the Balance Criteria elected by the Customer against the day-end balance in the account on the Business Day before the transfer date as reflected in the Bank's records. If the Customer elects a fixed transfer amount and the Available Balance (or, if the Customer has instructed the Bank to use the Available Credit Limit, the Available Balance together with the Available Credit Limit) in the debit account on the previous Business Day exceed the fixed transfer amount specified by the Customer, then the Customer specified amount will be marked as the Marked Transfer Amount. If the Customer elects a variable transfer amount, any and all of the Available Balance (or, if the Customer has instructed the Bank to use the Available Credit Limit, any and all Available Balance together with any and all Available Credit Limit) on the previous Business Day will be marked as the Marked Transfer Amount.
- 2.6 If the day on which the Bank is:
- (a) to apply the Exchange Rate Criteria to determine whether any transfer and purchase will be made; or
 - (b) to make any transfer or purchase,
- is not a Business Day, the Bank will perform the relevant action on the next Business Day except that the Bank will perform the relevant action on the previous Business Day if the next Business Day falls into the next month.

3 Transactions

- 3.1 The Bank will check the Exchange Rate Criteria elected by the Customer against the prevailing buying rate or selling rate applicable to the relevant currency quoted by the Bank at the time(s) of checking. Unless the Bank has made other arrangements with the Customer, the Bank will be entitled to effect a currency transaction for the Customer at such prevailing rate quoted by the Bank if such rate falls within the Exchange Rate Criteria

elected by the Customer. The Bank will not be under any obligation to check the Exchange Rate Criteria elected by the Customer against the rates prevailing in the relevant foreign exchange market on a real time basis, nor to effect any currency transaction at such rates.

- 3.2 The Customer acknowledges that no warranty or guarantee is given by the Bank that the Bank will effect any transaction for the Customer pursuant to the ForEx Switching Service. The Bank may be unable to check whether the Exchange Rate Criteria elected by the Customer match the prevailing rates quoted by the Bank or to effect any transaction notwithstanding that the Customer's Exchange Rate Criteria have been matched due to the volume of instructions and transactions, market circumstances or other factors beyond the Bank's reasonable control which may be existing at the relevant time. The Bank will not be liable for any loss or damage which the Customer may suffer or incur as a result of the Customer's Exchange Rate Criteria not being checked or matched or any transaction not being effected due to the above circumstances.

4 Fees

The Bank reserves the right to charge fees in relation to the use and/or termination of the ForEx Switching Service and to revise such fees. The Bank will determine and notify the Customer of the rate of any fee from time to time which will be binding on the Customer if the Customer continues to maintain or use the ForEx Switching Service after the effective date for imposing the fee or the revised fee. Fees may be collected from the Customer in such manner and at such intervals as the Bank may specify. Paid fees are not refundable except otherwise specified by the Bank.

If a Business Card is issued to the Customer or Cardholder, each of the Customer and the Cardholder will be bound by the relevant "Business Card Programme Agreement" and the "Terms and Conditions for using the Services of the 'Credit Cards Customer Service Hotline' for Business Card Programme" for the Customer and the Cardholder and all such other terms relating to credit cards introduced by the Bank from time to time (together, the "Business Card Terms"). All Conditions set out in Section I also apply to the Customer's and/or its Cardholder's use of a Business Card, unless the Bank otherwise agrees. The Business Card Terms prevail over the Conditions in Section I to the extent of any inconsistency between them (save for Condition 19 (Collection and Disclosure of Customer Information) of Section I).

Section XVI Business Revolving Credit

Where the Customer has successfully applied for a business revolving credit facility (the "**Facility**"), the Customer will be notified by a facility setup confirmation letter (the "**Confirmation Letter**") upon approval and granting of the Facility. The use of the Facility will be subject to the following Conditions:

- 1 Subject to Condition 17 of this Section XVI, the Customer will be notified by the Bank of the approved limit of the Facility (the "**Credit Limit**"), and the Facility will be granted to a Current Account (the "**Facility Account**").
- 2 Once the Facility is approved and made available, the overdraft protection feature of the Facility Account will not be available to the Customer.
- 3 A monthly non-refundable facility fee on the Facility in an amount calculated by multiplying the Credit Limit by the rate stated in the relevant business revolving credit application, subject to any alteration as provided in Condition 15 of this Section XVI, will be debited immediately upon approval of the Facility and subsequently on the same day of each succeeding month to the Facility Account.
- 4 The Bank is authorised to debit the Facility Account from time to time in paying such facility fee when due.
- 5 Interest on the Facility will be charged and calculated at the interest rate stated in the business revolving credit application. Interest will accrue on a daily basis on the debit balance outstanding under the Facility Account and will be payable monthly in arrears by debit to the Facility Account.
- 6 A statement will normally be provided to the Customer on a monthly basis (on the statement date as referred to in the Confirmation Letter) and will detail the total amount outstanding on the Facility Account on the statement date (the "**Outstanding Debit Balance**") and the amount due ("**Minimum Amount Payable**") from the Customer, which will be the sum of any payment in arrears, unauthorised debit amount and the minimum monthly repayment, and the date by which payment must be made to the Bank (the "**Payment Due Date**"). The minimum monthly repayment will be the amount calculated by multiplying the Outstanding Debit Balance (or, if lower, the credit limit) by 4% or HKD100 (whichever is higher), subject to any alteration as provided in Condition 17 of this Section XVI. The amount of Minimum Amount Payable will be rounded, either up or down, to the nearest dollar. Payment of any part of Outstanding Debit Balance effected by cheque or other means will be accepted subject to the Bank's normal Conditions.
- 7 Without prejudice to the other provisions of these Conditions, if the Customer fails to pay in full the Minimum Amount Payable by the Payment Due Date, the unpaid portion will be included as payment in arrears and a late charge amount calculated at the rate of 5% of such unpaid portion or HKD100 (whichever is higher and subject to a cap of HKD500), subject to any alteration as provided in Condition 15 of this Section XVI, will be debited to the Facility Account after the Payment Due Date. The amount of late charge will be rounded, either up or down, to the nearest dollar.
- 8 In the event the Facility is cancelled, on the Customer's instruction, within the first twelve (12) months from the date on which the Facility was granted, a facility cancellation fee of HKD500, subject to any alteration as provided in Condition 15 of this Section XVI, will be levied and debited to the Facility Account with or without prior notice.
- 9 If the total Outstanding Debit Balance exceeds the Credit Limit, interest will be charged on the excess amount at the rate of:
 - 9.1 10% per annum over the Bank's HKD best lending rate where the Facility is subject to floating interest rate; or
 - 9.2 22% per annum over the Bank's HKD best lending rate where the Facility is subject to a fixed interest rate,in each case (both before and after judgment) from the date the excess arises until the date of actual settlement.

Such interest will be payable at such intervals as the Bank may determine and at any time upon demand by the Bank. In addition, the Bank reserves the right to charge an unauthorised overdraft handling charge of HKD120 (subjected to any alteration as provided in Condition 15 of this Section XVI) and this will be debited to the Facility Account.
- 10 Without prejudice to Condition 17 of this Section XVI, the Bank reserves the right to suspend further drawing of the Facility if the Minimum Amount Payable is not paid in full by the Payment Due Date.
- 11 All costs and expenses (including legal fees) incurred by the Bank in connection with the extension of the Facility and any matters arising therefrom are to be reimbursed by the Customer on demand. The Customer authorises the Bank to debit the Facility Account from time to time in paying any such costs and expenses when due.
- 12 Where the Customer is a limited company, as security, the Bank requires a guarantee to be provided to the Bank in respect of the approved Facility amount. Where the Customer is a partnership, it is agreed between the partners and the Bank that the partnership will not be dissolved in the event of any of the partners retiring or ceasing to be a partner of the partnership or there being any change to the constitution of the partnership.
- 13 To comply with the Code of Banking Practice and guidance given by the Courts, the Bank needs to obtain the Customer's consent before it can provide a copy or summary of the Facility, or information on the Customer's outstanding liabilities to the Bank, to any guarantor or other third party providing security (the "**Surety**") or to the Surety's advisors. In addition, if the Bank is obliged to make any formal demand for repayment because the Customer has failed to settle an amount due following a customary reminder, the Bank will also need to provide the Surety with a copy of its Demand Letter. Whether or not the Bank has made demand, the Bank will also need to provide the Surety with a copy of the latest statement of account and/or to give the Surety details of the Customer's outstanding liabilities to the Bank, whether actual or contingent. The Customer agrees to the Bank providing any of the aforesaid documents or information to the Surety, to the Surety's solicitors and other professional advisers. Where this consent is not given, the Bank will be unable to proceed with the transaction.
- 14 The Bank has certain limitations on advances to persons related or connected to the HSBC Group. The Borrower should, to the best of its knowledge, advise the Bank whether it is in any way related or connected to the HSBC Group. In the absence of such advice, the Bank will assume that the Borrower is not so related or connected. The Bank would also ask, that if the Borrower becomes aware that it becomes so related or connected in the future, that the Borrower immediately advises the Bank in writing.
- 15 The amounts or percentage of fee, charges and interest rate applicable to the Facility will be as set out herein or stipulated in the Confirmation Letter or notified to the Customer by other means. The Bank reserves the right to alter such these Conditions and such amounts, percentage, fee, charges and interest rate, as well as impose new fee and charges, from time to time and may notify the Customer of such alteration or imposition in any manner it thinks fit. The Customer will be bound by such alteration or imposition in any manner it thinks fit. The Customer will be bound by such alteration or imposition unless the Facility is cancelled and repaid in full before the date upon which it is to have effect.
- 16 In case of any dispute in connection with the Facility, the Bank's decision will be final.
- 17 Notwithstanding any other terms herein, the Facility which is granted on an uncommitted basis is subject to review by the Bank at any time and to the Bank's overriding right of suspension and withdrawal at any time. The Bank will have an unrestricted discretion to determine whether or not to permit utilisation of the Facility or to increase or decrease the Facility Limit. The Bank further reserves the right at its absolute discretion to require immediate repayment of all amount outstanding on the Facility Account or with respect to the Loan, together with all accrued interest, at any time.
- 18 In the event of any inconsistency between the provisions of this section and the terms set out in the Confirmation Letter (as the case may be), the latter will prevail.
- 19 In the event that the Customer maintains any other facilities with the Bank, unless otherwise specified by the Bank, such other facilities will not be affected by the granting of the Facility and all Conditions relating to such facilities will remain unchanged.

The liability of the Customer shall include any transactions undertaken or amounts debited to the Card after suspension, cancellation or expiration of a Card.

- 5.2 Notwithstanding Condition 5.1 of this Section XIX, the Customer shall have no liability for any transactions not authorised by the Customer or a Cardholder using a Card after the Customer or the relevant Cardholder has reported to the Bank's Card Centre by phone (Tel: 2748 8288) that the Card has been lost or stolen or that the Card details may be known by a third party or that unauthorised or fraudulent use is suspected, provided the Bank has acknowledged such report.

Upon a report being made to the Bank pursuant to this Condition 5.2, the Bank will follow its usual procedures to cancel or suspend use of the Card, but if any loss, theft, fraudulent or unauthorised use of a Card or the disclosure of the Card details is attributable to the fraud or negligence of a Cardholder or of the Customer (or of any agent, representative, employee or officer (collectively, "**Representative**") of a Cardholder or the Customer from time to time), the Customer shall remain liable for any transactions (including ATM transactions) made by use of the Card even after a report has been made to the Bank in accordance with this Condition 5.2. The Customer must seek redress in respect of such goods or services from the relevant merchant directly;
- (b) the Cardholder does not sign a sales slip (including where a transaction may be effected by telephone, mail, electronic means or direct debit arrangement without a sales slip or Cardholder signature) or the signature on the sales slip is different from the signature on the Card; or

7 Cash deposit via ATM

Cash deposited with any ATM by use of a Card will be credited to the Master Account, subject to subsequent verification by the Bank in its normal course of business. For avoidance of doubt, the Bank will not combine the available funds in Hong Kong Dollar held in such Hong Kong Dollar savings and current accounts for settling the converted amount, and the Bank has the right to effect the currency conversion in each case at the exchange rate and at the time as the Bank considers appropriate. The Customer shall bear all exchange rate risks, losses, commissions and other fees and charges that may arise.

- 8.3 If a Cardholder effects a transaction using a Card in Hong Kong Dollars, the Bank will debit the transaction amount in the following manner:
