

The Hongkong and Shanghai Banking Corporation Limited ("the Bank")

COMMERCIAL CARD PROGRAMME - CONDITIONS OF USE

(For World Corporate MasterCard/Platinum Purchasing MasterCard)

The following conditions of use govern the use by a Cardholder of a Commercial Card being either a World Corporate MasterCard (the "Corporate Card") and/or a Platinum Purchasing MasterCard (the "Purchasing Card") issued by The Hongkong and Shanghai Banking Corporation Limited (the "Bank") pursuant to the terms of an agreement between the Bank and the customer (the "Customer"). Corporate Cards and Purchasing Cards are collectively referred to below as the "Cards". Where the context permits, a Card includes a digital version of a Card (a "Mobile Card") that is stored in the virtual wallet (a "Mobile Wallet") of a Cardholder's smartphone, tablet or other electronic, digital, or mobile device (a "Mobile Device"). For the avoidance of doubt, these Conditions of Use do not create any contractual commitment on the part of the Bank, and the Bank does not accept any responsibility in connection with the use of the Card by any Cardholder.

1. Use of Card

- 1.1 The person to whom a Card is issued (the "Cardholder") will sign the Card immediately upon receipt and will not permit any other person to use the Card and will at all times safeguard the Card and keep it under the Cardholder's personal control. The Cardholder shall comply with any operational or security measures communicated by the Bank with respect to the use or safeguarding of a Card from time to time.
- 1.2 The Cardholder must only use the Card during the validity period shown on the Card for amounts which will not cause the credit limit to be exceeded. Any renewal Card received must be signed immediately and kept safe until the start of the period of its validity at which time any existing Card shall be immediately destroyed by the Cardholder cutting it in half. The Card must not be used if suspended by the Bank or cancelled.
- 1.3 The Card is the property of the Bank and will be returned to the Bank immediately by the Cardholder upon the Bank's request or upon termination of the Cardholder's present employment or relationship with the Customer or its subsidiary(ies) or associated entity(ies).
- 1.4 If the Cardholder has any questions or complaints about the Mobile Wallet, the Cardholder should contact the relevant provider of the Mobile Wallet ("Mobile Wallet Provider") using the contact information provided by the Mobile Wallet Provider. The Bank shall have no obligation to assist the Cardholder with, or participate in, such communications.

2. Billing and Accounting

- 2.1 The Bank will maintain a separate account in respect of each Card issued to the Customer (the "Card Account") to which the value of all purchases of goods or services and of all cash advances (in the case of Corporate Cards) effected by use of the Card ("Card Transactions") will be debited and to which the value of credit vouchers issued in respect of the Card will be credited. The Cardholder's failure to sign any sales or cash advance voucher will not relieve the Customer from liability to the Bank.
- 2.2 The Bank will send to the Cardholder a Card statement detailing the current total amount outstanding on the Cardholder's Card Account and the date on which such amount is due for settlement in full (the "Settlement Date").
- 2.3 The Bank shall not be liable for any act or omission of any merchant including without limitation any merchant's refusal to honour the Card or any defect or deficiency in any goods or services provided. Any claim or dispute which the Cardholder may have against or with a merchant shall not relieve the Customer of the obligation to pay the amount incurred hereunder to the Bank without deduction. Any request by mail or telephone made by the Cardholder to a merchant for the supply of goods or services to be charged to the Card Account shall constitute authority for the merchant to issue a sales voucher for the amount to be charged and an acknowledgement that the sales voucher, if endorsed "mail order" or "telephone order" as the case may be, shall be treated as having been duly signed by the Cardholder.
- 2.4 *(Applicable to Purchasing Cards Only)*
In the case of Purchasing Cards, the Bank will require any retailer, supplier or merchant in Hong Kong who agrees to accept Purchasing Cards to abide by terms and conditions specifically governing such acceptance and under such terms and conditions the retailer, supplier or merchant will be required to obtain payment for a transaction only on or after the date upon which the delivery of the relevant goods and services has been made (unless such payment represents a deposit payment). Once the payment for a transaction has been so effected by use of Purchasing Card, such payment cannot be stopped. If a retailer, supplier or merchant agrees to make a refund, the Bank will credit the relevant Card Account upon receipt of the retailer's, supplier's or merchant's written instruction. The Bank cannot be held responsible for any delay in the receipt of such instructions.
- 2.5 All Card Transactions effected in currencies other than Hong Kong dollars (in the case of Hong Kong dollar Corporate Cards and Purchasing Cards) or US dollars (in the case of US dollar Corporate Cards) shall be debited to the relevant Card Account after conversion into Hong Kong dollars or US dollars (as the case may be) at a rate of exchange determined by reference to the exchange rate adopted by MasterCard on the date of conversion, plus an additional percentage levied by the Bank and any transaction fee(s) charged by MasterCard to the Bank, if applicable, which fees may be shared with the Bank.
- 2.6 The Cardholder and/or the Customer should notify the Bank's Card Centre of any transaction in any statement that was not authorised by the Cardholder within 60 days of the date of the statement. If the Cardholder and/or the Customer fails to report within the said period, the transaction(s) shown on the statement will be considered correct. Where the Cardholder and/or the Customer reports an unauthorised transaction before the relevant settlement date, the Customer shall be entitled to withhold payment of the disputed amount. The Bank shall not impose any interest or finance charges on such disputed amount while it is under investigation by the Bank, or make an adverse credit report against the relevant Card Account. If following a good faith investigation by the Bank, the investigation results (which shall be binding on the Cardholder and/or the Customer, as the case may be) show that the report made by the Cardholder and/or the Customer (as the case may be) is unfounded, the Bank reserves the right to re-impose the interest or finance charges on the disputed amount over the whole period, including the investigation period.

3. Cash Advances

(Applicable to Corporate Cards Only)

The Cardholder shall be entitled on presentation of a valid Corporate Card at selected branches of the Bank (or office of a member of MasterCard) to receive in the domestic currency of the country in which such advances are made, cash advances in such amounts as shall be specified by the Bank or such member from time to time. The Bank shall not, however, be liable for any refusal by a member of MasterCard to permit a cash advance. Where an ATM function has been incorporated in the Corporate Card, the Cardholder may use the Corporate Card to obtain cash advances (which shall be debited to the relevant Card Account) at any automated teller machine ("ATM"). Use of the ATM function shall be subject to the Bank's ATM card terms and conditions in addition to these Conditions of Use. Cash advances will be subject to a handling charge and a cash advance fee. Such fees and charges are set out in the Bank's *An easy guide to commercial tariffs*, which may be varied, amended and supplemented from time to time, and shall be debited to the relevant Card Account as at the date of the advance. The Bank reserves the right to decline a request for cash advances.

4. Credit Limits

If the Bank or the Customer assigns a credit limit to a Card Account, it should be observed by the Cardholder but (subject as provided below) it may be varied by the Bank from time to time by notice to the Cardholder and/or the Customer. The Customer may apply for a review of the assigned credit limit at any time. If the relevant Card Account is not settled in full by the Settlement Date in relation to any statement, the Bank may at any time thereafter reduce the credit limit to such amount as it thinks fit without prior notice to the Cardholder or the Customer.

5. Settlement

- 5.1 Where the Customer requests that the Bank do so, the Bank will accept payments from Cardholders acting as the Customer's agent in settlement of amounts shown on any statement balance.
- 5.2 In the event that the Card Account is not settled in full on the Settlement Date, a finance charge will be levied. Such charge is calculated at the interest rate per month as specified in the Bank's *An easy guide to commercial tariffs* for the time being in force. The charge will be applied to the daily outstanding balance from the last statement date of the Card Account including all new transactions (but excluding cash advances in the case of Corporate Cards) entered into by the Cardholder since the last statement date, retrospective from the transaction date of these transactions, until the current balance is paid in full.
- 5.3 Without prejudice to Clause 4, if the statement balance (excluding all the fees and charges currently billed to the card statement) exceeds the credit limit for the time being assigned to the Card Account, the Bank reserves the right to charge an overlimit handling fee as set out in the Bank's *An easy guide to commercial tariffs*, as may be amended from time to time, which will be debited to the Card Account on the Statement Date.
- 5.4 A handling fee as set out in the Bank's *An easy guide to commercial tariffs*, as may be amended from time to time, will be charged to the Card Account for each returned cheque deposited in, or rejected direct debit to, the Card Account where the cheque or direct debit is not drawn on an account with the Bank.
- 5.5 Any amount owing by the Customer to the Bank hereunder shall be payable on demand and the Bank reserves the right to charge interest thereon from the date of demand at its applicable prevailing rate.
- 5.6 The whole of the outstanding balance on the Card Account together with the amount of any outstanding Card Transactions effected but not yet charged to the Card Account will become immediately due and payable in full to the Bank on termination of the use of the Card or on the Customer's insolvency, winding-up, bankruptcy or death (as the case may be). The Bank may employ third parties to collect any outstandings. The Customer (or its successor) shall be fully responsible for settling any outstandings on the relevant Card Account including without limitation any regular payments, whenever charged or debited to the Card Account, under arrangements which are authorised or set up prior to the date of termination of the use of the Card or the Customer's insolvency, winding up, bankruptcy or death (as the case may be) and will keep the Bank indemnified for all reasonable costs (including legal fees) and expenses reasonably incurred in recovering such outstandings. Pending such payment, the Bank will be entitled to charge finance charges at its prevailing rate(s).

6. Application of Payments

- 6.1 Payments and credits received by the Bank in respect of the Card Account under these Conditions of Use shall be applied by the Bank towards payment of such items and in such order as the Bank considers appropriate without prior reference to the Cardholder and/or the Customer.
- 6.2 The Bank may debit the Card Account(s) to make a partial or full refund of any credit balance to the Customer by any means determined by the Bank, including making transfer to any of the Customer's account held with the Bank or sending a cashier's order to the Customer's address last notified to the Bank, at any time without prior notice.

7. Liability for Transactions

- 7.1 Without prejudice to the Bank's rights against the Cardholder, the Customer will be wholly liable to the Bank for the value of all Card Transactions effected by the Cardholder (whether voluntarily or otherwise) as well as all amounts properly debited to the Card Account, as well as all fees, interest and charges payable. This liability shall include any transactions undertaken after the cancellation of a Card.
- 7.2 The loss or theft of any Card, or any device upon which a Mobile Card is stored or any security credentials used to access or use a Mobile Card, (or in the case of Corporate Cards, the loss, theft or disclosure to a third party of any number used in relation to any cash advance or ATM function or facility incorporated in a Corporate Card) should be reported immediately upon discovery of loss, theft or disclosure to the the HSBC Commercial Banking Service Hotline on (852)2748 4343 or, if overseas, to any member of MasterCard. The Customer shall be fully liable for all cash advances effected as a result of the unauthorised use of any such PIN number. In respect of all other transactions debited to a Card Account as a result of the unauthorised use of a Card ("Non-cash Transactions") until notification of its loss, theft or disclosure has been received by the Bank or by a member of MasterCard, except in the circumstances described below, the maximum liability for Non-cash Transactions shall be the assigned credit limit of the relevant Card Account for the Customer. The Customer shall be fully liable for all Non-cash Transactions, without limit, debited to the Card Account if the Cardholder and/or the Customer has acted fraudulently or with gross negligence in using or safeguarding the Card or has knowingly (whether voluntarily or otherwise) provided the Card or let the Card be taken by a third party or has knowingly (whether voluntarily or otherwise) provided the device where the Mobile Card is stored, or any Mobile Card details, device passcode, PIN, password or other security details relating to the Cardholder's Mobile Card, Mobile Wallet or Mobile Device to a third party, or let such device or security details be taken by a third party or has failed to make a report in accordance with this Clause as soon as reasonably practicable upon discovery of loss, theft or disclosure. Failure to follow any measures to safeguard the Card and the PIN number in the case of Corporate Cards or with regard to the usage thereof as recommended by the Bank in any communication to the Cardholder and/or the Customer from time to time may be treated as gross negligence on the part of the Cardholder and/or the Customer. Should the Cardholder retrieve the Card after it has been reported lost or stolen, it must not be used but cut in half and forwarded to the Bank. If the Card is lost or stolen, the Cardholder shall co-operate with the Bank and the police in their effort to recover the Card.
- 7.3 The Bank shall be under no obligation to issue a replacement Card to the Cardholder following its loss or theft. Any replacement Card will be subject to a handling fee as set out in the Bank's *An easy guide to commercial tariffs*, and may be amended from time to time.
- 7.4 The Bank shall have no liability for any loss suffered by the Cardholder arising from or in connection with the use, functionality, or availability of any Mobile Wallet, including without limitation any operational or other issues associated with the Mobile Wallet or the Mobile Wallet Provider.

8. Fees and Charges

- 8.1 The Bank's initial and/or periodical fees in respect of the Card will be debited to the relevant Card Account. No fees will be refunded in the event of a Card's cancellation. The amount of fees payable in respect of the Cards are set out in the Bank's *An easy guide to commercial tariffs*, and may be amended from time to time.
- 8.2 If the Bank has incurred any legal or collection fees or other expenses which are of reasonable amount for the purpose of demanding, collecting or suing, to recover any sum payable hereunder from the Cardholder and/or the Customer or for other remedies resulting from the breach or non-compliance of any terms of these Conditions of Use, the Customer will fully reimburse the Bank for all such legal fees, and any other fees and expenses incurred in that connection. Pending such repayment, the Bank will be entitled to charge finance charges at its prevailing rate(s).
- 8.3 The current amounts or percentages of fees, charges and interest rates referred to herein are set out in the Bank's *An easy guide to commercial tariffs* (as amended from time to time) available at all branches upon request. - 8.4 The Bank reserves the right to vary any and/or introduce new fees and charges from time to time and may notify the Cardholder and/or the Customer of any such alterations in any manner it thinks fit. The Cardholder and/or the Customer will be bound by such alterations unless the Card is returned to the Bank for cancellation before the date upon which any alteration is to have effect.
