For Hong Kong commercial customers

The charges in this booklet are for reference only and remain subject to change. The charges are applicable only to accounts maintained in the Hong Kong Special Administrative Region (SAR) with The Hongkong and Shanghai Banking Corporation Limited, which reserves the right to introduce charges from time to time that may not be included in this booklet.

In addition, please note the following:

1. Foreign currency account charges listed in Hong Kong dollars are payable in the appropriate foreign currency at the equivalent amount.
2. Payment of foreign currency notes is subject to availability.
3. The charges for remittances do not include any charges that may be imposed by banks overseas.
4. The charges in this booklet are not exhaustive, and may be changed by HSBC without any notice.
5. For charges which are not mentioned in this guide, please contact our branches or your Relationship Manager for details.

Transactions processed electronically often incur significantly lower charges than those processed manually on paper.

Please note that a 100% additional charge will be levied on non-HSBC customers on banking services unless otherwise specified in this guide.

# Nine tips to save you money

## 1. Interbank RTGS transfer

More than 70% off the standard branch rate for interbank transfers through Real Time Gross Settlement (RTGS) transfers via Business Internet Banking or HSBCnet.

## 2. Outward telegraphic transfer

More than 52% off the branch rate for outward telegraphic transfers via Business Internet Banking or HSBCnet. If you remit funds to mainland China via Business Internet Banking or HSBCnet, you will get a discount of HK\$15 for payment to accounts in HSBC.

## 3. Trade Services

You will receive a commission discount of HK \$50 on each import documentary credit (DC) application/ amendment or export DC transfer arranged via HSBCnet.

## 4. Cheque charges

Ensure your current account has enough funds before issuing a cheque to avoid an insufficient funds charge or apply for overdraft protection as a Business Integrated Account customer.

Using our Business Internet Banking or Phonebanking services allows you to conveniently view your account balances and promptly make the necessary account transfers to avoid insufficient fund charges.

## 5. Monthly fee

You can avoid the HK\$50 monthly fee on your Hong Kong dollar savings account by keeping your account balance at or above HK\$25,000.

Alternatively, you will be exempt from this fee if you use any one of the following services from HSBC: Business Integrated Account, unit trusts, time deposits, overdrafts, loans and general banking facilities.

## 6. Automatic bill payment

You can avoid late payment charges from your utility providers by using Business Internet Banking, which allows you to conveniently settle your bills instantly or even preset dates for automatic payment. Alternatively, autoPay is also a solution for bill settlement, where direct debit authorisation could be set up online in Business Internet Banking for a number of major billers.

## 7. Business Card

HSBC Business Card provides you a flexible solution to manage business expenditure that also offers marvellous privileges and benefits. When you use your Business Card, you can enjoy special discount and endless remarkable offers at designated merchants. You can also enjoy a 0.4% cash rebate on all purchase or earn RewardCash to redeem a range of gifts and merchant vouchers.

## 8. autoPay

Remove the risks of late payment and costs of writing and mailing cheques to settle regular payments such as salary, dividends, regular supplier invoices, etc, by using our autoPay out services via Business Internet Banking or HSBCnet.

Reduce your collection cost by using our autoPay in services for settling regular bill payments from your customers.

## 9. Paper Statement Fee

If you hold a HSBC Business Direct account, BusinessVantage account, Hong Kong Dollar Current account, Foreign Currency Current account, Hong Kong Dollar Statement Savings account or CombiNations Statement Savings account, you can avoid the HK\$20 paper statement fee applying to each paper statement issued if you choose to use our eStatement service (free of charge).

# Three tips to save you time and effort

## 1. Become a Business Integrated Account customer

It also allows you to manage your business accounts through one consolidated statement account and enjoy round-the-clock automated Business Internet Banking, phonebanking and ATM services.

## 2. Consolidate your accounts

By consolidating your banking relationships into one financial institution, you'll find it easier and more efficient to manage your financial affairs with a clearer view of your overall financial position.

Also, by consolidating your banking relationships, you will develop a closer relationship with your primary bank and benefit from preferential interest rates on deposits and loans given to valued customers.

- If there is more than one purchase transaction executed on a trading day (T) and/or the next following trading day (T+1), the sale transaction will first be matched with all purchase transactions executed on T based on their size, starting from the one with the largest quantity of purchased shares. After that, any unmatched sale shares will be matched with purchase transactions executed on T+1 based on their size, starting from the one with the largest quantity of purchased shares. Remaining shares of matched purchase transactions (if any) and/or unmatched purchase transactions (if any) are still subject to the deposit transaction charge with a minimum of HK\$30/RMB30 for each purchase transaction.

Net decrease in the number of board lots held in specific lines-of- stocks will not incur fee.
- The fee applies to all business integrated investment accounts and business investments accounts, and is due and payable in June and December every year on a day determined by the Bank from time to time. If that day falls on the 1st day of the month and is not a business day, the fee may be collected on the business day in May and November which immediately precedes that day, subject to the decision of the Bank.
