*Total Relationship Balance (TRB) is calculated based on the balances in the accounts maintained with HSBC in Hong Kong by a company with the same business registration number. Your TRB includes the following:

- Hong Kong dollar/Renminbi/foreign currency deposits;
- Market value of your securities, unit trusts, bonds, certificates of deposits, Equity Linked Investments and Structured Notes;
- Deposit amount of your Structured Investment Deposits and Deposit Plus;
- Your utilised credits within approved limits (excluding residential mortgage loans);
- Statement Balance shown on the statements of your Business Cards/Corporate Cards/Purchasing Cards;
- Cash value of your insurance policies.

For new accounts opened less than three months, average TRB of the first month/first and second months (where applicable) will be used to calculate the Bank's Monthly Service Fee.

† Monthly service fee will be charged on the fourth working day of each month. The monthly service fee applies to each Business Integrated Account held by the customer.
